The First that Need Explain above: why I went to writeth this book was because when had twentyseven years old, discovered a book that speak of the jesucrhists live, in the time that is reading the book, the author spook down ambivalent term. Why I said it? well He say at his book is a Mortal Secret or a Christianity Enigmas (By Us like Christians Wherever denomination are Enigmas alone) in any moment is certain or have objetivity with his words, but when the book is reading is possible hear a stresstone of hate towards Christ.

And another thing for what writting this book was because the author from the text "Christianims Enigmas" never give a bibliografy in all along of his text, indeed also never give a bibliografical references, only talk of few books but never seem from where took that information (being a modern edition as us journey here), take it in account is maybe understanding, that his text not ist a book good maked, for example as well as Can us see that his book was writeth in seventy centurys, when for that all book was recognized as knowladge, But now in this centurys arround the world had alot institutes and organizations that explain how need have a text for be recognized as authentical knowladge as answerer is when no have this requeriment for be recognized as authential knowladge in other words this author never writeth a Historycal text, Academic text, scientific text, Documental text or another way of knowladge, truetly, he writeth a literary text or as an example of long essay, why I can say it, well with all good intentionship this writer is giving his own interpretetionship from how he according with his personal life (involves the relationship that heselve had on his social context, family, school, political context, sexuality, racial and so on.) under seventycentury, only.

When say that the author only give his own interpretation is because the Science a long the time with the psychoanalytic method and another's was can give to all world how one person is sharing his own internalness reality at speak, write, sing and so, above something. It is good suggest by Andrew Binnet's words in his literary work called *An Introduction to Literature Criticism and Theory* "Critics concerned with question of race and ethnicity have also developed specific strategies of reading and talking above reading". (p.28)*3. What it and many another phrases that Andrew Binnet used, as good Contemporary writer everybody can understand How the social context have a big effectness in our own literary works.

For can continue the next Bible's lines is them inspired me by start this literary work:

*"I know thy works, and tribulation and poverty, (but thou art rich) and I know the blasphemy of the which say they are Jews, and are not, but are the synagogue of Satan". Rev.2-9. *1*

This lines ago, talks of Satan's Synagogue, of curse I can give an explain that St. Paulo not to do refer toward all Jews, from the sameway that Jesus Christ to did. They never involves to all Jews that lived on Israel. Also St. Paulo don't suggest at all Jews in the world. Understand that Revelation's Book could be a Future's vision, only not the next or second Jesus Christ come on.

In momentness that we are talking of next Jesus Christ come on maybe only not speak from if Jesus Christ Will come under time end. For example when Jesus Christ come on again is when his word promise begin to give answer. How in the prayer and so. Indeed could us forget not that sometimes around different time and space Jesus Christ speak us across more people or persons not

only across the man that is living on poverty or the woman which have sycks, or citizens in the world having hungryhood.

Christ talk to we of new prophets, martirs and saints yesterday today and ever for ever, because the Jesuchrist church never will end. Now the next questions that ist borning are What relationship have Satan's Sinagogue with Jesuchristus Church, of course anything! but Satan Sinagogue spend Badness or Rather, evilness interpretationship about "jesucrist enigmas" in first place because of they want to do that many people get evilness-behaviors and losing whole notions of what want God by ourselves: For examaple if one Christhian feel sometime be betrayed or don't heard for God, in actual time currently Satan synagogue will find become this Christhian and to end all goodness sensation or perseption about reality, but here the answer ist why? So the answer ist really easy, Remember us that time ago our prophets were God's Istruments by to end with whole Terrorific condition of live in which many people time across and across story ist living since Moses when searched how bring more opportunity by each people, or another great example ist Lehi that shared Babilon Destruction prophesy and among all support that some people traveled them america forward 600 years B.C. and otherness more.

Satan Synagogue currenty get people with great economy supply, somebody of they been christians and today not are because they got breakfaith, otherness never was christhians but could us to think that perhaps get something as hat and hostility by social laws and God because God ist when Bring us the first social laws into Ten Commandments. Indeed not ist our appoint but ist need to remark how they, bad people or Satan Sinagogue people According with Dr. Sigmund Freud ist living one Eudiphical Complex (in this case) against God that symbolism our social law or our Father and they need or want to killer at God (Social law) by get all pleasure supply that ist the mother. In this way each man and woman to live again they first infacy

where is a baby, and if thinking a little all baby don't get consiensous, because are egoist not is important by they the other man or woman sorrounding them, indeed the baby not understead that get more people in they inviroment, only have objets of pleasure, in others words want absolutly all Alone "egoism".

*" The Child believe that his mother ist of him, and also believe that ist less loveness and careness for bring this, by another baby recently borned". (S. Freud 1924, pag. 181)**2

Taking account last Sigmund Freud Phrase ist allow bring one undersdeanding about how many people that stand envolved over Satan Synagoge in the same way don't want careness or loveness by others and ist thinking how pleasure supply could be by she or he only, without important if the others death because of they now do not have more their consiensouss or health interpretationship from what is good or what is bad and for explample if to need killer also is not important beacuse in pressent form will get more pleasure supply.

Likewise thus something ist lived worldwide, where Satan Synagoge bring Pleasure supply as economy, sexual xperience, better job, personal develop and more according their feels. - But what could to feel if currently not believe in God or from less don't believe over message love whichever Jesuchrist to share with us?- Are need make emphazys on Pressent literay tex ist writeth with one mission: to end with the blasphemy and spend Many Studies and reffers by ending among whole bad interpretationship about Jesuchrist enigmas that ist sorrounding the world and Satan Sinagogue spend by become good people in evil people and draft the elvilness as spenth Illegal nuclear weapon sellings for example where many people death, but as nuclear weapon salerman or woman now (after been under Satan

Synagogue) not get thus consiensousness of what's good or what's bad and They could to sale thausand and thausand of nuclear weapons without pay attention over death inocent people. ,Between more perverse behaviors and facts which wrap Satan Synagoge.

Pressisly here wann't start controverser or told bad frome some religion o culture because of the respect are the mosth important kind, have many idiologies in the world and is Deny speech bad from someone even that reseach at better to Human being reither, our prosperitie and never to do nothing amongst other to be Human. So as Christian else are our task solving every doubt wich other could come about their own Faith accounting in pressent book the appontishment over it doubt to release when at soul need be strongly, embraiced and so on. But mosth that solving unawers or misundersteanden, survive this to appeal everything that others suggest, in other words some blasfemies currently spendid by transtor the thought wich other people had. And of course laughthing from their Hypotesis.

AUTHOR ABOVE

Before from textbeginn, I need gave for all my readers must clear or light above me, saying that I writed the next letters by the people wich finding the trueth. Also Is big important say that in my live never finded be Saintness or to be good example for anothers persons and that my behaviors never was as a whitesoul because I am one normal person with many mystakes in my live. On now will spook alittle moreof me, well in my childhood was a boy with many healthcare issues, my mother every day need be with me because I hurted differents ways of sycks that indeed could be so long speak about they.

Thanks to this my mom' dreessme with clothes which had terreble aspect, of course as I was a little boy don't able say nothing How "Mom unlikeme this clothes and so on". But with all my right when another boy which speak bad from me or that start to say something against me, in my first place the reaction in fast was talk with She saying that "I don't want to use this kleidum or clothes". Now, why by me this kleidum was terrible? Well it had aspect as Saint-man of the Middle Age. Of course mom' gave me this becuase according to her religion thouth or think this (kleidung), could health me from my syckness. All it was when had six years old more or less.

Time letter on my teens years old, have opportunity of know my first love the love of truth. Yes when had sixteen years old. Afther it bad conflicts inside me and I was living between death and life, because had a life as anyone, very physiology. I was not bad boy but maybe could be say that a zombie ist the better word for able xpress how had my life, So in fast when hopeless, Jesuchrist touched meine heart doors with his big love and giveme his wordsbless as a fire that gave me the life in trueth. But taking one moment and tinking a little, borned a big question, What want jesuchrist from one yung which have only sexteenyears old?

Nevertheless today am an Adult Young and gets present part within my God in draft this book by otherwise slippage their evil mind toward our Lord Jesus Christ, In feed perhaps Do you should to question yourself why someone write in Anonymous way, and to Ask this are so easy from answer: Yes, don't want that anybody acknowledgment What man performed these appealing against whole Falsity at Many persons arrive to Jesus Christ our Lord. So the reason is -How between the Gospel reality- that: to be Part from Jesus Faith never will be Easy, Indeed Belief in Jesus could be Risky. How in the History so much people loss their Live for follow or puts their Heart in to Him. How said paragraphs ago I not be an example of Live but Mein Love and respect with birth as supply since myself, in that if something or someone come within blasphemies or as in actual time people say "Fake News" by Christ; stopped these are our Biggest Task. In other words I wantn't lost the live or be Martyred and beyond.

For other part should be ridiculous get most information from me because of at Idea is stand so Far from every conflict that to be Christian unfold. Here is written all Evidence in upon the Faith which cover us and Is beautiful.

Now before to Begin I could to share with you some prayers, If you want might prayer with me also could to repeat again present lines, also do you want to share this with your next for kind, friendship or enemy too. If you remember next words in your heart repeatable when you want closing your eyes:

"Oh Jesus My Lord the Christ of God the almighty, all praise and all glory by your name the happiness of my heart, the grace which wrap the world, the peace of this earth, please come and stand with me, hear the voice from this poor sin, so I am crying claiming your hand, your love by me and by everybody too. I know all my wrong, I know all my hurt, I know all which to

feel my soul, But anybody know me better than you because you are God, The King of Kings and Lord of Lords. Don't are nothing more great or big than yourself.

Oh my Christ until when, until when will recognized us that you are the Messia, until when understeand us at not have otherness God, only you the water in thirsty time, the bread in hungryhood moments, the healthness when I am sick, the must beautiful feel, the fire that exchange stoneheart in flesh and blood. So until when your peaceful sorround us in the World.

Amen.

DATA PIECES

Everywhere will get us breakfast of course this are so normal by to be human develop because of it the way in how our faith is each more strong. Now it good remind something witheth into the chapters ago, not are nothing more beautiful that believe in God but Am talking of real faith not fanaticism, currently many people could get one thought about what difference have between Faith and Fanaticism and it easily of understend awesome our concepts, firstly One faith it take each tools whichever God bring us time across enjoy alot persons or knowledge, is surfing each culture and knowing without forgot that God it ever the first Awareness supply and him gave us too a multicultural planet not for fight between ourselves, if God want diversity him sons enjoy, it because God not did anyone equal to other, every man or woman worldwide it different biologically speaking but equal before his loveys. Could us think that the book or blasphemybook which here it ending as falseship argument. God want a world each more richness because perhaps yet have people that not feel the jesuschrist's love, for present reason get us tremendous issues across globe but if each more children, youngs and men and women will have otherness vision by understeand our world and seek among love our brotherhood else other kind d' hike better.

It time to bring to know what it the first wrong unfold blasphemybook's author that his words translated for me say:

"In their lecture, the reader will can understeand whole which we suggest into opra long, that real documents, not they called missed, not are before at Century IV". (Robert Ambelain 1982, pag 19).

However, taking account how present author Robert Ambelain is sharing his book, not spend reference of literature inside in same time when our Lord Jesus Christ Born or fromless him lived, this between otherness authors is using literature which was written into more of four hundred years laste from Jesus Christ-Death. If remind us a little could to get light into our Holy Scriptures wrapping four Evangelions Luck, John, Marcks, Mattw enfolding hard studies thus evangelions is called Canonical evangelions because of thus hard studies suggest at Canonical Evangelions been written in no more four hundred years Jesus Christ time, not more four hundred of years later (and if could get's other text After Canonical Evangelions due are blasphemys drafted how explain in this book but must later). Will be great bring one example about thus: never is same that some people talk about you or me when is living the same time enjoy, in contrast for example if someone talk about you or me two hundred years later. I harvest of thinking a little or spend the almost basic logic, the question will be, What writer'll be more reality clear or is more together at truth, whichever to live into your or my same time (age, era.) or someone that will born six hundred years later you or me, rather, seem that the 2th never knowed what really happend, will use speculation and inventions alone. In other words at Recogned Evangelions throw Christians are most close about Jesus Christ walking land.

As well as how is remarked present book enjoy, each person get one interpretation about reality or what surround us, we want not talk bad of anybody because of our first achieve mission is revealed the truth in this way believe us. In others words, is time to bring to know our respect by each culture and religion worldwide, although as persons among Holy Spirit inside us our achieve goal is to share this Holy Spirit with our brotherhood global across, as example The abortion, all Christian Religion way if are christian in truth never will support abortion fact. Because of remember us that Jesus Christ our Lord

ist the Walk, the Trueth and the Live and Abortion ist Death, Reather, all Religions into Christhianism church ist deny or unallow thinking about abortion, of course if are christhian in trueth because sometime could be normal in pressent age have many Religions which ist saying be Christhian although not are. Otherwish Christhianism religions and church inside ist to gave our hands by people whichever ist living poverty, abuse, violence and other form about mishuman condition of life.

Before to continue, we want (and I say we because this book ist in Christhianims name not in name of one person only) bring to aware how have diferents way about christhianism, ones taking the christhianism as one Philosophie spending more the logic and ending with the Mystism which God get, another form that in my particular thought ist better for me ist for example God as Mistical the almighty and unable of understeanding, because to be Human want understeand to God although anybody can have good aware, we as to be human ist finding how to feel what God want. Currently we do mistakes or wrong but everyday with our prayers research that God bring us his ilumination by hear his voice and able do what He wonn or unless get more clear the God's think. But unremind for short time this and Will take again What the author ist talking his arggue surffer in big phalcethy spend in triky at people by become their mind taking account antichristian synagoge or Satan synagongue, is better to give at next exmple: the weapon's saller How The Human Being or To be Human could to use nuclear weapon against other Human Being. Only at people with bigest Mental Disordiers could to arrive amongst other Human live. All information that the author believe that are the same information in time when Jesuchrist our Lord was in the Earth thogther us, but not are trueth according only with the first evangelions writheth hundread and hundread of years Before other ones. But How could to become at thinking that Human being ist having. Jesuchrist as son of God seem us envolving the real evangelions an aparience of good man a great example of man that ever swa for

everybody ever finding the best and solving many needs which the people that surround him could to have in many forms. Now If I get Other mind against whole jesuchrist said, shall to do a horrible hurt from the people by are against him, against the Love, agaist to be Human Evolutions, Prosperity, Justice, Brotherhood, against our owns citizens too (how in the chapter named Historical Context are explained) this big Hurt could to transtor at thinking that Human being Have for example his persepction about the reality, in other words a man or woman finding whole taeaching and learning this, else, Shall be other if I how are agaist Jesuchrist try to triky at pressent man or woman, Now could be big Killers, spend nuclear weapon against other Human Being, destroy other cities or his owns cities and so on Because of the love and all peace-teaching not is more.

Alongside from the pages number tweenty the author told about many documents and information were destroyed and history across has biggest need of delit every word, phrase, thought, memory, idea between other Kind about how Jesuchrist was. But What could be a better form of delit whole above Jesuchist, Ist so easy, alone to need exchange for other impression whole that him seem us. "Writhing more Kinds that never happed", triky at people and otherwise. This is the best way of delit whole teaching that Jesuchrist ist bring to we. Of course if one love-spirit within God Soul was blessed in Human Being named man or woman for Jesuchrist Imagen, Now not will be more; and (how line ago talk us) Shall be very easy become at mind which Human Being understeand. This currently is meaning in Genocides, Rather, destroy every thinklove in to be Human ofthen doors by perversity.

Latter when this same page ist Robert. A. (1978) Sugget that authors Before, never has need of be Sensured (above Jesus Documents), In first place other authors is outset, and if remind a little at history will remember us how Socrates was a pedohilian man with a lot criticism for this excercise. With wath

intentionship'd suggest that no athor before Jesucrist was censured? Why not to suggest in him text to Socrates? Now Remember us also how Histoy across biggest number from Human Organization want to Destroy whole about Jesuchrist onlyn't afther him death, indeed before He were borned too.

When they had gone, an angel of the Lord appeared to Joseph in a dream. "Get up," he said, "take the child and his mother and escape to Egypt. Stay there until I tell you, for Herod is going to search for the child to kill him."

"So he got up, took the child and his mother during the night and left for Egypt, where he stayed until the death of Herod. And so was fulfilled what the Lord had said through the prophet: "Out of Egypt I called my son." (Mttw. 2:13-15)

At verse bible lines ago writeth, covered us of the trueth and is meaning that Jesuschrist only not his owns imagens of heself, in person also were persecuted. Indeed before He were death, in other words afther and before Jesuchrist dead, collectives of people was doing an conspirationship against him. How for example Herod that was finding each kid by killer them How the pharaon did at same when Moses Birth:

"And he said, When ye do the office of a midwife to the Hebrew women, and see them upon the stools; if it be a son, then ye shall kill him: but if it be a daughter, then she shall live". Exodus 1:16

"And Pharaoh charged all his people, saying, Every son that is born ye shall cast into the river, and every daughter ye shall save alive". -Exodus 1:22-

All this refforce our learning above Jesus in the form that the prophecies was trueth and taking account too, that the prophecy which our Lord Jesuschrist said. Because of He was wether the prophet and the Messiah according within at next Definition at Cambridge suggest:

Prophet:

*A person how is believed to have a special power that allows them to say What a God wishes to tell people, specially things that will Happen in the futhure. *6*

Clairvoyant:

*A persosn how say they have powers to see the futhure or see things that other people cannot see.*7*

Now is time to have a great aknowladgment in the Prophecies that Jesuchrist said and how prophecy could be similar to clairvoyant in the form that ist lookable the futhure in many facts and how gap this. But, Before to continue why Herod were finding to dead to Jesuschrist; well his achievement was the same at other people need, destroy whole above the Son of God and all his follower evidence, else.

"When evening came, Jesus was reclining at the table with the Twelve. And while they were eating, he said, "Truly I tell you, one of you will betray me." Mttw. 26, 20-21

"Blessed are the pure in Heart for they shall see God". Mttw 5, 8

"Blessed are you when others revile you and persecute you and utter all kinds of evil against you falsely hon my account. iRejoice and be glad, for your reward is great in heaven, for so they persecuted the prophets who were before you". Mttw 5, 11

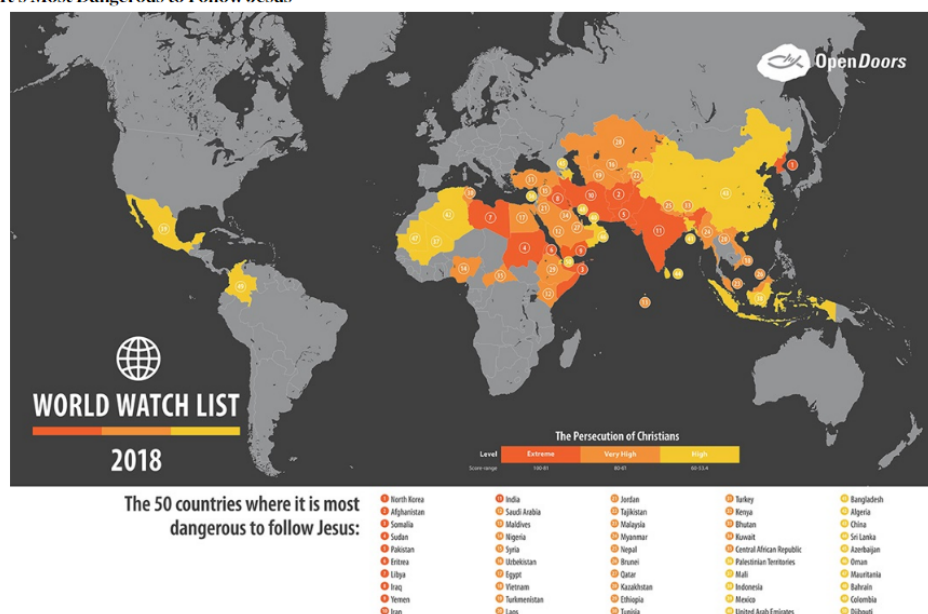

"But Jesus said, "Peter, let me tell you something. Before the rooster crows tomorrow morning, you will deny three times that you even know me." Luck 22, 34

'Then they seized him and led him away, bringing him into the high priest's house, and Peter was following at a distance. And when they had kindled a fire in the middle of the courtyard and sat down together, Peter sat down among them. Then a servant girl, seeing him as he sat in the light and looking closely at him, said, "This man also was with him." But he denied it, saying, "Woman, I do not know him." And a little later someone else saw him and said, "You also are one of them." But Peter said, "Man, I am not." And after an interval of

about an hour still another insisted, saying, "Certainly this man also was with him, for he too is a Galilean." But Peter said, "Man, I do not know what you are talking about." And immediately, while he was still speaking, the rooster crowed. And the Lord turned and looked at Peter. And Peter remembered the saying of the Lord, how he had said to him, "Before the rooster crows today, you will deny me three times." And he went out and wept bitterly." Luck 22, 54-62

However, Story across have persons into the Jew-Christian tradition and into other cultures, else, wich in the misterious was get otherness form of comunication or vission as for exmple know what will happen in the futhure and in the pass. Paraphs want us to share a little of otherwise Jesuchrist's features because of everybody get good understanding that Jesuschrist is the health and the richness too but ist other form of have richness, material or unmaterial way. In other words jesuschrist not only was a Man sended for God by to be Sacrify for our safe, all life of heself bring to everyone the Healing and teach to us above the pass and the futhure too; When for example Judas Betrayer him, or when Petter deny his name and other great exmple could to be when Jesus speech of whole people "blessed for be persecuted for be Christian". Remind us how this passage were long time ago maybe more than two thousand years ago. Below some evidence in how Jesuschrist propheticed this:

The Top 50 Countries Where It's Most Dangerous to Follow Jesus

*Rounding out the top 10, following North Korea and Afghanistan, are Somalia (No. 3), Sudan (No. 4), Pakistan (No. 5), Eritrea (No. 6), Libya (No. 7), Iraq (No. 8), Yemen (No. 9), and Iran (No. 10) *8, Between others.*

For another part United Nations Organizations, an International organism at ist ever working for gave the better and regularized the Social develop worldwide in matters of peace, gevorness, poverty, richness, gender equality, farmer business and so much more. Itself organization has aknowladgment that Christian in pressent time ist suffer a lot persecution into differents global sides. For to continue below too one part of their post did under at web site, itself could be looked by reading in our refference book's Part.

September 27, 2011

*Warning that Christians currently suffer more persecution because of their faith than any other religious group, the Holy See today told the United Nations the denial of religious freedom threatened peace and security and precluded integral human development.*9*

Of course get us many more information of how Today christian persecution is a reality and anybody can to destroy or delit this dates for become the reality how so much time ago to did. Forbes is a biggest prestigious journalist where is readable what happen in the world and itself also gave to we the ansewerness that we're finding, was realy the prophecy that Jesuschrit made of Christian persecutions how accroding among Mtw. 5:11 to share by everybody:

"... Just a week ago, Open Doors released it's World Watch List 2018, annual ranking of 50 countries where it is the most difficult (if not

*impossible) to live as Christians. Open Doors assessed that in 11 countries this persecution was extreme and in 24 very high..." *10*

All writed parhaps before appontishment in ending the driver-foloosh that Robert Ambelain has, when ist talking that a lot Jesus-Dates been destroy, Raither this not was afther Jesus dead also Before, and rewardless ever that in the world ist meaning an Antichrist synagogue will be people finding how destroy each date of our Lord Jesuschrist.

Before to ending the chapther that are surffing just rigth now come to me the think by delaying the manipulation of information that Rober A. spend in their perverse intentionship amognst the pople and amongst our social context. In the pages 22 at 24 the author book arggues that according with the Abad Bergier in his -Dictionnaire de Thoelogie- the Abad say "The men with winsdow of trueth in Exagesis matter, and with sinserity, recognize that the new testament is not before of the Six century." (Somewhat Thats False: Mark 66-70 AD, Mattew And Luck 85-90 A.D. Jonh 90-110 *2-Third Edition Reference) But curiosly the same author to use fewer information before of the six century. Why his information can be before of the six century and don't other. Coming soon the Dates:

- Codex Askewianus, aka Pistis Sophia, Date of V century.
- Codex de Bruce: Fecha: IV century.
- Codex Berolinensis 8502: Fecha: v century.
- Pether Apocalipsis: Fecha: siglo vm.
- Pseudo Thomas V century.
- Nicodemus Evangelion's IV century.
- Galilea Testament Vm Century.
- Evangelio of the Twelve aposthols V century.
- Evangelio of Bartolome V century.
- Jonh acts IV century.
- Act of Pether V century.

- Apocalipsis of Paulo V century.
- Thomas evangelio IV and V century.
- Homilias Clementinas V Century.

The last informationship covered the force argument that the author want to spend by release the phrase that the Abad Bergier sugget in talking that the trueth was writed not before the Six century. If the trueth been writed afther the six century Why he to use this informationship as argument. If been writed before the Six century?

Ist beutiful recognize the hand of God in the history because of He ist the only real knowladge, althought everyone so called Theist or Atheist could understeand that the trueth is farless in a documente more in short of one event than other document writed time latter, taking account too that how the author and I bordering in Many information was delayed before Jesuchristh born and afther jesuchrist dead. Oh nearly forgot! only not informationship also Men and women were killered too.

The Apocalipsys

The Same Author, latter of to do a contradictionship in time that is suggeting release the dates of the Six century because Him say ist the trueth. But at same time take date from the V and IV century ending in this form with his owns favorite phrase of the Abad Begier (because sux abad stumbled). So now birth other thought from the Apocalipsis with less important clamin at the Apocalipsis is not more than a Theatre book.

All civilization in the world are petty and is amazing how without important if one is faraway of the other, have so much kinds in common as for example dejavu, clairvidence, prophecy dreams, pre-cognition and more, in other words the notion of known what will hapen in the futher is aroud the world; may since the biggining of times. And if the Science have not access to this phenomena not want to say that not are real, because of the science for this have not access yet by Explain us. But indeed press fenomena can be seekable in televions programs too, Where for example curiously the TV program is recording a show that in time wich is doing or performed this kinds non existe yet as in the science fiction, cartoons, interviews, documental and soon, latter of time in our reality thus somethings take alive.

Otherness Great example of what is something wich today The Science have not real or total access by teaching us about thus matter is a the work tha the Dh. Sigmund Freud (1921) and most psychoanlyst men and women over their Scientific investment, the Telepatic or also called for the Freudian's translater James Strachey "The transference of Thinking".

"Now, is not possible unallow the studies of something called Ocult, there kinds that arggust in the real existence of multiple psychic powers". (Freud 1924, pag 169)*11

However the writed lines ago can give to all reader more understeanding of some-kinds that in the Ninety century (threerty years before than Robert A. text) the Science got the importance in draft Investigationship about itself and today our scientific tools not have any in asnwer of this. Altought could be so good that whole reader to read pressent book of sigmund Freud by have not any doubt from itself. In other words, Sigmund Freud, the psychoanalis and others is our wordforce for teach to the people that in Human Being Develop have ever kinds ocult in our Soul, our Mind in our Spirit and need us only to be consiensouness in that although the Science may today have not

total access, regardless not in machines as the Electro Encephalogram for example that Exist.

For other part the words which is spend for the Author seem us in perhaps herself want to start a controversy discussion between Romans and Jews for the intentions mentioned into the page 29 over at first paragraph. It appointment in whole which are talking line ago where argument how the people or neither the Bad people challenge the mind of others by personal pleasure or (in best term) Bliss for example, try to have two Nations or Cultures in War it's the better form in how trafficking guns as the Nuclear weapons between others. Of course all Book's part of apocalipsis in Robert A. Literature not get relevance at the Christian world. Although the real importance is that the Revelations book as all literature can be interpreted in a lot ways.

In my personal point of view the Revelation's Book is a prediction of war, when Human Being lost all Humanity and is finding the destruction in other words I believed that the Apocalipsis is the end of all times in one place of the world only or global Across. But why to be human Lost his humanity? The answer in facts is, because of forgot their faith. This are zero complicated of understanding if Jesus is a God of Peace when the people not believe more in him not will be more peace. For otherness part. Remember in time that was reading a book named "The Secret from Christopher Columbus" Where the Author David Hatcher Childress (2005)*12 appointment in Only not the Christianity come to America. Moreover, Revealed the truth than many people on America is unaware, where in fact, gives the knowledge need to argument than more people were living in America Before Templar fleet or the Christianity and how Hasishas, Masons and others that at the same time in Christianity are coming on America too.

Here is born new question in what a lot people not know or believe yet that was the Christianity wich sabothage the Americas and his richness, peraphs at answer is come when read us the name from Editorial House called "Historial Incognita". Unfortunadly boys, jungs, great and small people is Angry with the Christians because of they belief that been the Christianity which hurt the America's Earth. In particular press Excelent book should be part from your personal Librery, not doubt of these. Althought have must envidence in Christianity not been on America in this time only, so much time ago The american tribes knew the word of the Messiah nearly between the 591 at 589 years B.C. (1 Nefi 18. 23) or 1000 years A.D. Where Lief Erikssin arraive America too *31 . Justment the next inquirer in come quickly is, Once more was challenged the history by the people will not aknowlagment the Jesuchrist how in Herodes time, or profeths time or when aposthols been martiriced and soon. Well the Story even is repeat. But what want to say within whole this, easly, that Americans people were hoping their Love, the Son of God but others, -as David Hatcher Childress arggumenting-, Did a Sabothage against him in apocaliptical war here in America and in other side, long time ago too. Of course the Apocalipsys not have an quantified understeanding this, could be showing as the Tarot Cards even not symbolism the same, each people felth and alive different word that Apocalipsys share us.

PSEUDO ANUNTIATION?

Nothing is happier than everyday life in a culture or environment where the Jesus Christ name could be part of an illness felt. Moreover about this matter over all is alive in a context where the people is challenging What nor When really been Jesus Christ by in first place To do the evilness for example as on the Chapters called "Historical Context" and the Achieve Piece" look us how the war is amongst his own citizenship or other nations because of Where not Jesus Christ is, the peace have not (perhaps you will find to ending of read at Chapter to understand me). Or belief that biologically a children can to do an Sexual relationship with an Adult (where Jesus Christ preach us yet). Day after day the Science bring us opportunity from get little more understanding of Human Being development. Now, if view us from the other point need not the Science into get clear that Children is deny by Sexual relationship with adults meaning.

*"Victims of childhood sexual abuse often have associations, flashbacks and memories related to the specific aspects of the sexual abuse. This can be reflected in both psychological and physiological responses"*13.*

*"Sawers and Durlarks" (1995) study found that 63% of the women in their study experienced sexual dysfunction. Their study concluded that sexual abuse is a predictor of sexual dysfunction and predisposes the individual to a greater likelihood of sexual problems."*13*

*"Research conducted with gastroenterology clinic patients has found that 53% of patients with functional (non-organic) GI disorders have a history of CSA compared with 37% of those with organic disorders (Drossman, 1995)." *14*

*"Research in community samples has suggested that individuals with a history of CSA are more likely to report experience chest pain, shortness of breath, irregular heartbeat, and ischemic heart disease (Dong et al., 2004; Hulme, 2000; Walker, Gelfand, et al., 1999) as well as overall poorer cardiopulmonary health (Golding, 1994; Goodwin & Stein, 2004) than individuals without CSA history (see Lechner et al., 1993, for an exception)".*14*

*"Given the breadth of health problems that have been linked to CSA, research has consequently examined a wide range of possible mechanisms for this relationship. Severe traumatic stress at an early age may cause disruption and dysregulation in the neuroendocrine and sympathetic nervous systems (SNS), which impact other body systems (for a review, see Shonkoff, Boyce, & McEwen, 2009). The physical manifestations of these alterations include a variety of health problems (including GI, gynecologic and cardiopulmonary symptoms, pain and obesity), although they may not become apparent until adulthood (see Shonkoff et al., 2009)". *4*

Alongside from philosophical or Cultural thinking even have us the way in how found the truth about some Behaviors for example the Children Sexual abuse that maybe to some Cultures or Rather Philosophical Thought, this come with disorder concequence in the Anatomy from the Children and currently thus take a place until their adulthood. Many Investments how the paragraphs ago reveled these. For continue not with more perverss way in challenging the Human Mind as to the War, Pedophilian and other abuse form, is time to end meet the fraud, and realse one more time the Jesuschirst Name and what want him.

Have different thinkig by spent the people in the evilness, but this chapter told something may funny because of Currently the people is likely to be in a Brainstorm researching at answerness by so much questions that is very clear and is common to have front us what is delaying our question may be sometimes is better to be blinded or be out-look. Once more is found the truth about the ask that some authors as for example Roberth A. suggest doing an Odissy by confusong the people in that Jesuschirst don't been real. According with Robert A. suggest that the Jesus birth are a biggest falseness in Scriptures for the next reason below here (Before to continue is not deedless important still on this book is not for offended to anybody is not our intention, are found that every word agaist Our God is untruth).

Utterancing firstly in only will attach that pressent literary work arraive on specific blasfemies based over how information is distorted. The bad words wich many authors spedn against

our God may are only consequence of something that they not understand, currently hat and frustations wich can't proyect in other way. But God give us his Son by our freedom, anyone can be Forced to Believe on Jesus, althought him are calling at their heartdoors everytime.

On traduction matter don't will take us nothing Because so much people know that have hundred and hundred of Holy scriptures because the Language is becoming all time according with every culture and world place. For example the English that is common today curiosly are diferente on England that United States or other English speaker nation*16, in the same for the Spanish for example Spain, Mexico, Argentina and others nations are Nations Spanish speaking but have different words *15. Indeed enjoy the same Nation one word could be unknew to alot people. For example in America to use the word Death (how in Britain is spent) is common seek dead or die. Have many example how the Language become all time. Other great example is the name of God because by Latin people or languages derived from this Him are called Yavhe but by Anglosaxon people is called Jehova but ist the Same only became the lenguange and soon. For otherness part get biggest number of tongues where one word have direffent meaning some time the word mighth be used as adjective, verb, sustantive, predicative and more; Enigmatic sure? Rather will not enjoy in translated matter.

Well, latter from arraive that is lols how the author take one word ignoring that have languages which get the same word until six different spend or significance. Is time to slippage once more whole that are suggesting, coming soon at new Contradictionship in the page theerty four heself suggest that on Jonh 7,5 is not spent the term brothers overas Esoteric term how in the monastery or francmanosnery, althogth latter in the page one hundred twenty nine an chapter about the esoteric jesuschrhist life, him told saying that Jesus been an Esoteric man taking the thought in Jesuschrist used esotery or magic. In other word he

are suggesting in Jesus Brothers were sons from the same mother because of don't could be brother how in Esoteric societies spend the term, by chapter last suggest that Jesuschrist was envolved on an Esoteric enviroment. Hightest wrong. Nor take nor don't take Esoteric Terms on his live? Of curse that our Lord told from his brothers as another colloquial term how on School you or me could to tell by our friends brothers without be from the same mother.

Reading other lines is showable to feel how the Author don't write as Cognitive people, Myself believe in the Tranceference talked or writed and is obvios that him not did his literature as cognitive or cognositive work; here get one fear with other intention, even, each literature lover will can undesteand me "That feel the author, is what bring" and on these Setting is not an Intellectual job. Foreing the Jesus Genialogy is other very lols, so funny too. Realy, Why the author can't match must possible answers? Those sound me if one boy ask his mom - Mom why have two grand fathers? To this the Mother should answer. - Because of get you one mother and one father.

When does the kids within hearth even will mighth to do Beautiful things overas the flowers below the rain. Ist so common that people asking themselves indeed Human Being across timeline even is questioning everytime, this are called Human Nature. I make not any jugdement by the people wich answerness Why our Lord Jesus gets two Different genealogys, and belif if a person asking to Jesuschrist, him, am surly will rerspond smelling in the form that the mother by his son in the Last example: "Because have one father and one mother". This are the question at the Sons to do by his Eternal Father maybe praying may claming angry for not 'stood the word but is funny because of the children makes funny question and we are babys into God eyes.

The chapter is named within present title in solving an Ask, did for many. Why over Holy Scripture our God have two Genealogies. (Longest book is not my intention in draft these, but if not have your bible, low the reference).

Matthew. 1, 1-17. Jose Genealogy.

Luck 3, 23-38. Mary Genealogy.

Remember us that it Culture on David time (an other time else) David as King could to Have differen wives, each and every Tribe had theirown costoumshood. So over Juda birth at the Messiah, Ah! infeed have your father's name ist common thing, In others could be very regular uptwon a friendship within your same name for Example Mary Magdalena and Mary Jesuscrhisth Mother, or Judas betrayer meet the the Other Aphostol called too Judas Jonh the Bauthips and John Aposthol, Simon (Peter) and the other Simon aposthol; Joseph Mary's Housband and Joseph Joaquin Mary's Father one Son of Helhi and other Son From Jacob. And Sons currently were called in the Same form, these Might be the kind for what many Bible Translators could to undesteand sometihing not real, indeed write information that his ows interpretation bring, althouth onlie not on the Bible, more text how *Jws Memories* with other books could to get wrong interpretationship above Name's meing. Into other chapter must explain what happened wet at first draftings of christianism. To end Anunciation was highly real.

DIFFERENT ANUNCIATION BORN TIMES

Everywhere could see how at words in the biblical verses even is covered from the justice, and even that God make one's more Justice is very great to oneself, briefing what means God did on our lives, let me to give an example. The other night doing nothing, am starting anew day hear at door with something were touching, in fact my father and my brother attended to the call. To our surprise a woman friend from my bro, talk in that Him is on the Hospital for be smashed to an Police pick up truck. Just in those time a lot thinking born in mind, Front me at thought in may he (my bro) could To be Death, as soon as possible my dad within his other Son arrive the Car saying "Put very attend to the telephone don't lose Any ringing please". They go Forward the Hospital while am take at cellphone to speak at my mom, and told her every word at friend's Brother share us in for what him are in the Hospital". At first Seem taking account the till in which her answer me last terrible notice came at same time on my brain stilling the thought "Believe God save him and Yet is not Dead". Her ends the call by contact to my Father to know What's Hospital were my other Bro to be.

Moreover whole moment was stressful hour last hour and nothing about how my brother is. Even that come Uncertain and fears from Death return the view to God and his Son, so these time don't been Exception. Enveloped from some Bible verses the only felt arrive me Setting one Faith and Courage too. But last some intimidated by God's time my face at light realse again, seem me no doubt in Him stand everyday with the Familie, of course (although the biggest wish is: please God at my brother isn't death) I even was taught in, God does his meaning and him gets a perfect plan where may the Ends from my Brother's life could be today. When Jesus Christ came, Jeova or Yavhe (in then latinized tongue) Challenge at relationship meet him

and His Sons or people Being a God of Love, ending strongness as how for example in time that Delaying the Sin from Babilonie or when the Pharaon Cars been destroyed to him for Thirany amongst Israel people, or ends too within Laws in how Women adultery should be Reprended and beyound.

Many time latter perhaps eight hour at Telephone rining one more time, in sort that answer itself, Mom brief me with great news saying "Thanks to God your brother ist alive". Mein happieness comeback fully not, because of also said that could not'll mighth to walk again and she will go as soon as posible to the Hospital by to Know musth about whole illness. In time that to Hear these my soul upon a lacktest of conforth and thankful to Jesus for listen mein words and not take him the live from these Dear brother; Now the Only wish birth in may He will can to walk again without problem, in this thinking to taking the musth deeply desire to God praying for my brother don't lost his walking. The stresss encreasing everyday in hoping an Answer; some weeks cross before an Especialist in Traumatology bring at wonderful fact saying that our Familiar in a will very short can walking one's more is deny problem. Just here is when Jesus's Father promise take reality. Latter from other months the Doctor's word was viewable, and him have deny problem by walking. Once more prayed to God gaving thankful into Bless the Familie wich Faith to be over Jesuscrhist our Lord and today covere us within love and doing realt there Promise wichever our heart claim one day to Himself.

Well, He command all which does with richness, with loveness and never let us lonely, because ist a God of Justice. So by Testify is good to Share that in all this prosses the Laws been taked account and within his Luck and bleesses over these Familie at Love him. Was able to Win the protest amongst the Police Corp for spend their Authority with Evilness. According to the Laws the Police corp or body paid an Awesome welth by my brother. Whoever God is one God from Biggest kinds and even

give the Better by each and every Son and whole wick Believe in His Jesuchrist son.

Continuing with the Chapter and Rereading at book wick have many phrases understeables not, on pages 41 then same author puts (we nein know how came at think if whole ist alrigh), that Jesus been or reither that the evangelist write others brith datas, sugesting over more literature also writed few time latter between of the called *Jews memories* books XVII and XVIII from Flavio Josef into Said at one Cense or poll registration been writing in Herodes time and these pool number has *Jews Memories* books enjoy, within the fact that on Mattw and Lucks told from others storycal moment. Some time our understeanding need more from cognitive facts because of sometime the Faith isn't enough. In other words ist bestest appontishment in the Birth datas wick the Evangelist bring and reviewing in both aren't any wrong, than Testify how Father's promice is real Jesuschrist across.

Ist just time to clarify at every people confoused as the writter that to Share his doubts why Mattew and Luck have not differente date above Jesuschrist born and how they are talking about the same time and how the Author reffer his own confution when is reading a text or may be longest Contradiction. Beginning the page fourty one send and afirmation suggeting in that Jesus birth was In time of Herodes the Great but nearly ending the same page (fourty one) heself reference again his loved *Jews memories* books XVII and XVIII from Flavio Josefo in talking that the Poll registration wick Mattew writte been Real and had place in Arqueleano (Named Herodes else how his brothers) or Archelano's Time not on Herodes the Great Time, The next doubt Robert A. notice that Mattew and Luck told from Differente authoriy to Reffere the Time in what Jesuschrist Born.

Review:

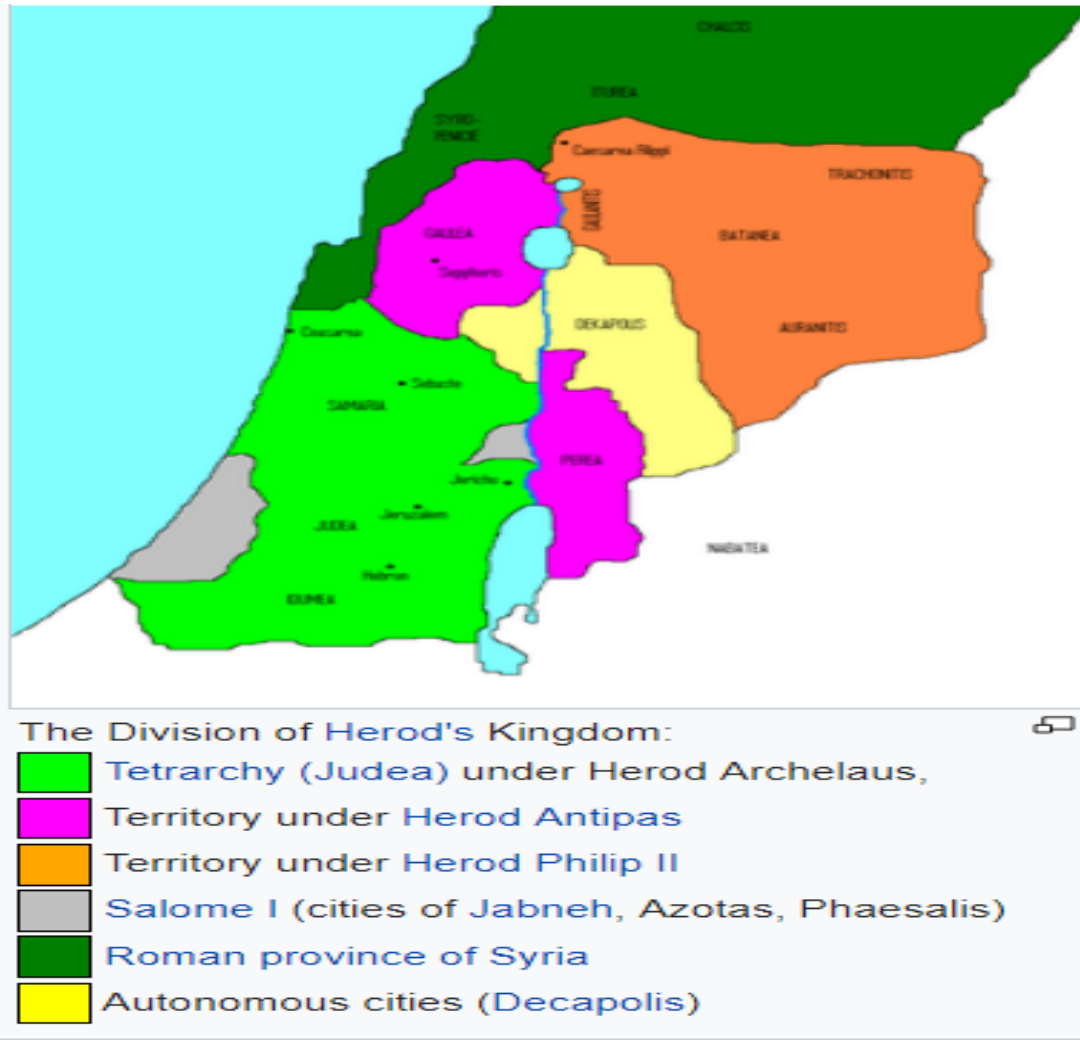

Lucks 2. 1-7

Matthew 2. 1-12

Firstly will be Fine to clear what difference have between an King within and Emperor, itself could be ignored for so much people. An Emperor can to get fewers Kings in his Meining, "An empire can have many kingdoms within it; the emperor rules the entire empire while kings (or queens) rule smaller kingdoms within the empire"*17. Also ist feed realse How an Emperor and King challenge his ruluer these came when He ist Death taking the power one of Sons from him that currently had the same Name at His Father, how in the Herodes fact, these explain whole about when Jesus Been Crucified Him go from Pilatos to Herodes by be Jugdment How Luck 23 1-7 Argering. Indeed these don't was the same Herodes the Great perhaps one from Sons or Grandsons (Dinasty) of Him called Herodes too. In other words Mattew and Luck told from the same moment advocating that Lucks set up as Refference's birth the name from Emperor Or Maximun Ruller while in the other hand Mattew puts the King's name Or Minumun Ruller as refference of born. And Wobbly Herodes Great Govern at Same Time Some From His Sons More if Was near To Death Nor Aloud Older Whom Today Vatican Wears Two Leaders Benedictus XVI And Francis I At Same Time, Whom Many other Examples Throw Story On Many Lands And Governess Way.

Our lauthing is not for Books that Author spend in suggesting his point of view realy, We know haven't perfect writer each books 'd to get mistakes but terrible contradictios in a same page seem us that meybe his intentions of writing were others. Well, Just below*18 stand a map to atacchment in our Friend Robert A. One's more is wrong, pressent map is an Informationship review and publisehd by serious teaching. There adressed in how at Same time Three Men named Herodes was gorverness in direfent territories whole from Herodes dynasty (remind us some grandsons of Herodes the Great wears Herodes as Name, In

other words Herod Great govern maximum rulership and his Son whom minors rulerships as Nodded Before More if Was Near Death Nor Anlus Older), clarify too itself bring us opportunity to say: Isn't the Same Herodes when Jesus Born than when Jesus death.

By ending, overtake the truth engaging this that The poll registration was real, Herodes according with the Gospel dead children on Jesus Christ's Time (in at equal form when government made into Mosses born), these take place when Saint Familie go from Bethlem forward Nazaret, but Here the conflict is that many people believe that only got one Herodes currently confused within Herodes the Great although him also time before Jesus Come to the World knew about the Messiah for Prophet's Scriptures. In other words at Governor with management over Jesus time did whole possible to ending within

profecies without important if shedule to death someone (profeths, aposthols, followers, citizens, pagans, phorasthers, romans, jews and beyound) or write something because of currently one Geverness that arraive amongst his own citizens killering them for belief in a kind wich puts in Risk itself in credibility and power. For the other part Jews people is nothing about, because when did the blasfemy agaist Jesuschrist been their Goverment and leaderships that in those time alive. In other words currently public management does not reprecent the people.

JESUS GOT NO TWIN

"And I said unto him: I know that He Loveth His children; nevertheless, I do not know the meaning of all things. And I said unto me: behold the Virgin whom thou seest is the Motherboard of Son of God, after the manner of the Flesh".
1 Nephi 11: 8-22

My Hearth ever will felth dirty because of How in Above Author Chapter did very clear ain't an Exemplar man, have many mistakes on My life, indeed not should to write pressent book because of Am other Sinerman. Before to continue need clarify too, this book is not a Gospel is not other Holy scripture. Here to be alone what is the Trueth not About me, but Yes From the Son of God.

This point been realse chapters ago for itself not'll surffing many time here. When the people want to challenge what happen with our social context spent so much kinds, without important they Do by themselvel or by others.

Some people think to get reason when done the Idea in that Jesus had brothers in the carnal term, rather, that Mary had more Sons, attachment up how is writhed in the Gospel that Jesuschrit been Son which "openth the womb" of Mary (the author Robert A. is based in the French translate, So is hard to get even a perfect translate how in chapters before talk us).

"As it is written in the law of the Lord, Every male that openeth the womb shall be called holy to the Lord". Luck 2: 23

However fewers Latin translates take account the phrase "Openth the womb" ' equals as Primogeniture but realy are different because of "Openth the womb" suggest that haven't anyone before

this baby because ist the first and don't need has others latter, in the other hand Primogeniture suggest that could to get someone before the baby (in this matter the male baby that shall be offered by God). Well, anybody ist perfect, and may the latin translator take one bad word; mistakes so common. Now perhaps the word primogeniture was the only word wich our Friend got join his vocabulary, no problem, overall this not suggest in any way that may had more sons in the Carnal Term. Yourself might go towards Reference part in the Book and research that within great definition "Primogeniture" enfold a first Son born if have or haven't more Sons after the matter (Open The Womb), the nobiliary term is the Same. Weither, surfing in a Latin definition (the author was French) Primogeniture have place by the first Son without important if his mom get or not most sons latter *19., this definitions does must match with Open the womb phrase because don't suggest most Sons birth. (In Other Words Open The Womb Not Necessarily suggests more Son birth latter At Difference than Primogeniture)

Otherness witty moment come in time that is reading a little present book, this could to sound how a Parody, laughing for such lols writeth. But ist the way in how our Lord Jesus Christ look the Faith that everyone have and ist beautiful only not to Feel the truth, ist beautiful too meaning something for to Share what really ist the truth. Not for make a war or fight everytime with more people. Jesus ist God of peace, and him want not the War only the Love covering us as the Air in our skin, as the Sun in ice moments, as the shoulder when crying. His is happy when everybody stand together sharing time with other human being, finding the better solving by our difference, without important the color, the race or economic position, his word is one and become in flesh by to be with us.

Sometime our Soul to need kinds that upon this, that setting something in giving life by ourselves and by others. I belief that giving life is at most wonderful gift wich God bring us specially

to the Woman, because the life is the greatest goal of Human being is natural in itself, and Jesus Christ cometh to relieve us in life so he is the walk, the truth and the life. Clear, a lot of people do not believe in him for whole Innovation that his words bring to the world, or for otherness part to every information destroyed or badly interpreted as coming soon.

Latter of recognized that Jesus got not a Brother haven't nothing into be must clear, although the Idea with some Authors gave us is very very funny, when these my laughing were unstoppable for long time. Don't join in my head the think that Jesus Christ had one Brother Twin and that himself (the twin) when Jesus Dead spent a gypsum mask (with the form of Jesus Christ) by triking the people in saying that him are Jesus in Resurrection three days latter. For the love of God! if Jesus got a twin why spend a mask if are twin? lols. All begun with the need in confuse the people, taking account an Hypothesis about the names from Jesus Christ's Followers. But the kind with this Author be ignorant is that Even have on each culture people Setting names by his Sons that don't have nothing common with the Baby or haven't nothing in common with wears the Name, this meaning picked a name is very normal. And below some greatest examples.

Guess us a Fathers naming his Son Aragon which signified is "Someone originally from Aragon city" but what happen if the baby born in Mexico, or Alaska or Hong Kong. Being mostly clear within other example, I remember a friend with had in the Middle School called Leonard how signify "with strongness and audacity" these are so funny too because when remind mein Middle School friend could to describe him as Affairman and very slowly. If have a man called Gerard that signify "Rigth with the Spear" and may He never practice an Sport or in His life never knew one Spear" Really here is time to unmasking more trikes spened to blasphemy against Jesus Christ our Lord. In other words

although Thomas signify Twin his mein is nothing about how into examples noted early.

ENIGMA KEYS

Nevertheless even will have literature that attach in bad form to Jesuschrist Name for example if choose the literarie text gap for Flavio Josef can us review how into him breath had writte nothing profit to Jesuschrist in the form at If some people Last our Lord get Mercie with Siners/Syckers and beig Death for The goverment, how Other Govertment can write at the Man been an Inocent, thise `d start one Revolution agaist the same Governess aheading to the people that were when reasearch him Crucifixion. For other part Flavio Josefo as Meaning Public administration He and his contemporaries and predecissors even realse such way in Dy everybody at speech above the Messias that liberate Jews people. In other words Anyone will writte something wich could set his own power in Risk (on thuse case Flavio Joseph could puts his Power throw riskness if bears credits by Jesuschrist).

In Fast, will seen how misteriously without certain, History to mach exactly afther longestime but the enigma are How could other Christian to Know something wichen happend time Latter. But in firsth Fact is that's right upon other contradiction, how other person or interpretetation (currently with perverss intention but even not) have. Once more doing reffeence in R. Ambelain when when in his Pag 77 (early starting page) say that Petter and James was brothers but in page 78 Said at Petter and Andrew were brothers. This traying come up in to find at way in how counfouse people by they belief that Jesus Had mosth Brothers carnal sons from Mary. Such Ambelain's idea appontisment in Simon Petter is the same that others Simons over Gospel. Although as on chapthers before we arguir Jesus as Jew or regardless in him childhood got trainings of course in brotherhoods and otherwise, rather, than, Gospel talk us from Jesus Brothers as His brotherhood. Because of is time to Remind at Jesus as Son of God is Brother from whole us and his father is our Father his mother is our Mother.

Other bigets triky spende in steal people's faith R. Ambelain find counfouse persons saying that don't was jesus when give to Somon (Andrew's Brothers) the Name of Peter reffering Mttw 4,18. Attachment in He had this name before Jesus Call him: As Jesus was walking beside the Sea of Galilee, he saw two brothers, Simon called Peter and his brother Andrew. They were casting a net into the lake, for they were fishermen. These are also witty because this writer never think in that when the Gospel speech from Judas Ischariot doing reference how the Betrayer. In the Text before him betrayed to Jesus Evangelist meaning reference to he as the Betrayer. It is because the Gospel was writed time latter, not in the Same moment when the kinds happend. For this reasson holy scripture give the Name of Petter before Jesus call in this form to He or call Betrayer to Judas Before him betrayed to our Lord. (seen Luck 6:12-16 and 3:13-19).

Coming his try into steal faith (I believe this are firsth point for what Him writed his book) the author R. Ambelain (pag 65) want blinded the Heart of many people talking that Holy scripture ist wrong because of according with him Mattw chapters 13:55 and 27:56 told in that Simon Petter is Son of Zebedeo but if you can read this chapter will seen that Gospel don't say nothig about this. Else, latter gave other Biblical verses (Mttw 10,2. 26,37. Mark 1, 19-20. 3,17. 10,35 Luck 5-10 Jonh 21-2) by explain that Simon Petter is son from Zebedeo but when myself read this my surprece were that all is big Falacie that any verses told nothing wich this author Suggest.

Now, How belief in someone that give biblical verses wich itself, not said nothing about all writed for this author (Nor Never Bring Real Time Writing)? As his falacies are not sufficent spent other facts (and not him only, others authors at could lost his power for a revelion as Flavio Josefo or other that their intention been transtorn the thouht from many people by destroy their faith and

in this form use the vulnerable persons to perverse intention how dead, steal, sacrifice, abuse and beyond) for example take account Apostol's nicknames as Simon "The Zealot" (at isn't same than Simon Peter) by draft other History not real in Slippage Jesus Divinity. Paul and Simon Zealot get something similar both were Criminals before their knew to Jesus Christ our Lord nowhere is wonderful get aware how the Love from our Lord might exchange the life of Everybody. Indeed in Actual time His hearthlove is a better place where one can Stand, a place where where is Strongness by to be Human, a better site in the Universe. Of course that when Simon Zealot (not Peter) and Paul know to Jesus all their self became. Because of the Seed of life are join they. This are reason in why many people also follow to both. But those fact that Paul and Simon was criminal not want to say that even were or that latter of know to Jesus continue his Criminal live. Last they stand within Jesus never were the Same, their habits, thoughts, the way in how seek the world and so much more were different. Here the most Marvelous is at in present Time Jesus is touching the heart from many people by health them, by bring peace in people which find Death. A lot people can end their past how Simon the Zealot that were a Killer or Paul which was a Christian persecutor. In this point he Author Robert A. Get many reason Simon the Zealot were perhaps a killer before know to Jesus Christ, last the mercy of Master transform his live how in the St. Paul case how Gospel Say.

While Jesus was having dinner at Levi's house, many tax collectors and sinners were eating with him and his disciples, for there were many who followed him. When the teachers of the law who were Pharisees saw him eating with the sinners and tax collectors, they asked his disciples: "Why does he eat with tax collectors and sinners?" On hearing this, Jesus said to them, "It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners." (Mark 2, 15-17).

To early present chapter end would that you find Mark 3:13-19, Mtw 10:1-4 and Luck 6:12-16 look on Simon Petter (Brother of Andrew) and Simon Zelota (the Criminal) are diferent Person. So when read us the Page 67 about book wich today aknoladgment that is not trueth on his argueren, ist one intepretation from an Information based on the same live experince that the writer arraive, the author to share fewers Gospel Verses to try to Saith something that isn't writed over Bible, peraphs him never thinked that his readers will find the Same Biblical verses that Him is suggestin (on this time to saith at according with the next verses Jesuschrist's Aposthols were living in a place where only alive criminals suggesting that they whole or regardleas Petter was a Criminal, but how to Say parraph ago, of course Jesus had Aposthols that before to know to Him Were killers How Petter Zelot not Petter Simon and How for example Paulo), When yourself reading the Verses will awere that don't to saith anything from Criminal behaviors or sites: Jonh 2,1-4. Jonh 4,4. Jonh 21,2. Jonh 1,46.

In the Same way Him porpuse a Fact to suggest at Peter and James were brothers Sons from Judas but unto Matt. 16.17 Matt. 10 1-16 Mrk. 3.13-19; Lc 6. 12-16 clear is that this don't were brother in Biological terms so reveled us that James and Jonh was Brothers and Andrew with Peter got a Familiar Relationship of Brothers. Not Petter with James how Author suggest to break Reader's Faith, may to malipuled thoughts.

BECOMING SET

If explain it chapter quickly ensure whole willing wity but can't attach in fast every Kind because to need their time to be clarify the bad interpretation or Off every Evil Intentions themselves that come from someone xternal covered Jesuschrith story, well may Flavio Josepho could to be the farleas of that story But how on other Book's part appontishment in that Him Never would to Getting Risk on him powerment how Jews Leader. A good notice came in here enfold two chapters one of them not gets nothing relevant or something that could break The faith that riders Encorage. In feed the next Chapter in big part, or raither, Is onlie about Chapther that want to screem us or display us to thought in that Nazareth Not been real envolving at Idea of Nazareth was invented by Turisth global across wich traveled to Jerusalem to investigationship or as Holidays for example. But when seen us the verse Mtt. 2:22 the Gospel Textualy bring Nazareth name so if Have musth doubt do you Can looking the Next veses Luck 1,26; Jonh 1,46; Mark 1:24. Peraphs Nazareth was a region or some from the Jerusalem Region with time leas and this are so normal because in every place territorial context exchange all moment new neighborhoods and place where the people alive even are encreaciong itself not want to say that Nazareth was invented specialy to touristh, well ensure the Governess when show many move later jesus time (because most recently the people get great acces by international traveling) begun to suppot in economic form the place to growth thise mosth than before. Altoughts have us Reference that the site was funded 2200 years before Jesuschrist*21.

Nevertheless at next important tingh or relevant kind how resound when read the Robert A. Book cometh is a Biggest contradiction on the page number Ninety two. When saith unto the place of Luck 4,28-30 passage couldn't to be able because of are not any Mountain by arraive amongst Jesus Christ (are need

to read those biblical part). But words later Said that all Nazareth is build over a Coline and continues suggesting that the place in Nazareth called "Presipitation Mountain" stand how to One Hour from when Jesus according with the Gospel was on the Passage, appealing that Him not could to walk from Nazareth to the mountain. So why not would to walk Jesus one Hour? if are something normal, indeed walk one hour isn't much reffering space, I remember so good when with my friends a Night upon a convivence in My house, come the time in that was ending our diversion and everybody go forwards a place to buy something (drinks and smoking) while the night is over. The highlight is that in the same place our walking been as for example how eight corners on the same neighborhood in go and comeback was a total from 50 minutes, peraphs the man that belief in Jesus wouldn't to walk never thinked in his time the people is walking everytime more than in pressent age, because of technology, infrastructure, special clouthes, and so on. To end or are or aren't Nazareth builted on a coline. Or why could be Impossible that Jesus walken 60 minutes.

STORICAL CONTEX

When this book was beggin writen, sorround the world is living christian persecutions, the islamic state (isis and another organization) is murder many inocent people into actual time. Another important activity in our social context when this book was writed ist which the new president of the Unites States is building a new artistic arquitectonic and may Solar wall. A construction that have as goal find the way for have must and better the safe of everybody U.S citizen and Damping Neo Slavery. Down someone of the disscurses that the new U.S. president did (Donald Trump) he said.

"The unites States of America was funded under christian values"

With it he to doing reference to all danger that living in this country for be a Christian nation.

Enfolds more which knowladge to reffer into many part with people that ist murder on Unatites States inside, only not ist according to ISIS and his hostil behaviors against this Chrystian Nation, also have us on this hystorical context anotherness pseudo culture, itself become his ideology into violence too, But What different have between the culture at I spook you in afew lines ago with ISIS. Well, indeed ist not very hard take good understeanding from what wants this pootles, "Chrystians Ending" But why? Am not shure, so sorrunding the world into starting tweentyone centurys many protestmeeting crossing the streets finding the way in how ableend with Chrystian persecutions or Terrors attaks into Unites States and otherness Lands.

Today is February Eleven Twothausand Eighteen, every day steand most in short from March Five Twothausand Eighteen day which Donald J. Trump actualy president of the United States will utterance all presidential action above loud safe Christhian

Country, time very important because if not have good deal with others Lands the Terror issue could become in another Global War.

As soon as understood that of course if more countrys thinking more in all Jesuchristh love all terrorist and all people that ist finding the death and love the death not steand hurting others lands, in others words alot countrys that love the terror and death ist when must danger are by the peace around the world.

"And mary arose in those days, and went into the hill country with haste, into a city of Juda; and entered into the house of Zacharias, and saluted Elisabeth. And it came to pass, that, when Elisabeth heard the salutation of mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost; And she speak out with a loud voice, and said, Blessed art thou among women, and blessed is the fruit of thy womb. And whence is this to me, that the mother of my Lord should come to me? For, lo, as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy. And blessed is she that belived: for there shall be a performance of those things which were told her from the Lord. And Mary said, My Soul doth magnify the Lord, And my Spirit hath rejoiced in God my Savior. For he hath regarded the low estates of his handmaiden: for, behold, from henceforth all generation shall call me blessed. For he that is mighty hath done to me great things, and holy is his name. And his mercy is in them that fear him from generation to generation. He hath shewed strength with his arm; he hath scattered the proud in the imagination of their hearts. He hath put down the mighty from their seats, and exalted them of low degree. He hath filled the hungry with good things; and the rich he hath sent empty away. He hath holpen his servant Israel, in remembrance of his mercy; As he spake to our fathers, to Abraham, and to his seed for ever". (Luck. 1, 39-55).

"And it was because of the pride of their hearts, because of their exceeding riches, yea it was because of their oppression to the poor, withholding their food from the hungry, withholding their clothing from the naked, and smiting their humble brethren upon the cheek, making a mock that wich was sacred, denyying the spirit of prophecy and of revelation, murdering, plunderin, lying, stealing, committing adultery, rising up in great contentions, deserting away into the Land of Nephi, among the Lamanites". (Helaman 4, 12).

Now it is good remind at few lines ago inside this chapter speak us above the new big wall which United States want to build into south border, but why it is important to do commentaries enfolding this matter, well in first time this literary text is spooking according with the faith on Jesus Christ and coming soon will learn that not only involving the faith that our Lord Jesus Christ bring us, because this historical context have so much for to seek into social oppression and slavery in other words in short will seen us how story across the evilness and bad man or woman ever want to end with our humanity so by they alone to need their own pleasure overout important if more people will pay the price.

Inside this awesome lines ago able us to seek and reading some from historical knowledge about what happen into America or rather what was at reason which the bad governments ending their laborships until their citizens. In other words, thanks to use of authority as steal, abuse, oppression and so on God destroy this persons which never were so good with anybody, alone with themselves using the egocentrism as for example in Babilon. Could to speak almost about this matter because of the history that our Lord and Master share with all his Sons get so much into to be human oppression issues enfolded. As from Egypt and Israel citizenship when Moises bring freedom. Story across many lands worldwide using all that in present lines teach us or, rather, say us. But coming soon actual example.

Global Changes

Ever is great 'stood, get the knowledge above in what time is meaning or doing one something as for example Shakespeare writed his literary jobs and poems, with this vision is able seek what kinds to did surrounding his social environment (as in at long of this book was commented) indeed thus could bring us almost ligh over what were the first emocional or

social-context that Shakespeare alived. In other words, have present the time and space certain, in writing a book ist better in many ways ever.

Remember us alittle how this book become our own thought, fears and otherness feelings reviewing within love eyes again each people, every stuff in this world, every action bad or not Because the important is faith thogther agaist the hungryhood, ending with all form of poor condition from live. On the same time, but into others alternative realities when present text been writed. Before of to continue among the set in those literary job into this Chapter named "Historical Context" Are need to Share at each Investigation, Prayer, Reflexion, Feel or another think wrapping every word writed here, don't are for Slippage or be offensive against more Religions and Cultures in anyway. Because of is relif Remind that the Blasses of God don't are in the War, but of course are over ending the War and Rescute his Victims. Althought Currently coul't to born the Question Why? Well ist very easy Know the Why, simply because Jesuschrist unlike the War, he want not Slivry or poor live's conditions; in other Words the death of him were for our Fredoom and take the ownership which the Father bring to him, also gave until we and for everyone, in the One hand, so in the other hand: All every investigation, knowladge, kind, each word writhed here have as principal appointment the falseness-ending about Jesuchrist Person.

Now within introduction some lines writed ago is time for Golden Era speak starting. Golden Era were strongness relationship between United Kindom among China and more important event remarked below. (Dan On thus 3th Edition timewriting Mortal Pandemy Could twice up World Relationship as well 'cause belivings So was Biological attak Because China and Others*1).

Immigration Conflict

Across to be Human History have us almost issues chained or linked with immigration, for example thousand and thousand of years ago when Moisses been the man that ending with Slavery from Isrrael people , meaning a immiration until Promise Erde. Here the biggest issue was that at goberness in there time of Pharaon were the person wich spend the slavery as form of governess, altouht get us a man so called Moisses.

"I will bring you to the land which I swore to give to Abraham, Isaac, and Jacob, and I will give it to you for a possession; I am the LORD."
Exd. 6:8

More than to share a time when immigration illieness were talked for whole world, our firstly appontisment are get the aware about how God-Word can to bring us only not the safe and strongness into personal way, also God-Word are one answer by our social enviroment. But what want to say with pressent lines and how ist able recognizer the hand of God into our comunnity. Easily only to need seek againg to be Human Story and understeand that the story ever is repit, now, if God gave us the knowladge by review at history, is our job the Barrier of one catastrof for example: At new goverment of U.S.A. into this years Becomed the uncontrollable and sick form of how immigrant are enjoying into U.S.A. land, of course this not been great by many people specialy by each latin america immigrant, here ist seek able one Pharaon symbolized the goverment of immigrants and immigrants symbolized at people that lived down unhuman condition of life on Egypt when isrrael people forgoted their slavery finding a better futhure one nations where have Hony and Milk in others words more richness. In to be Human Timeline a lot moment been equals, so in pressent text I want to told about German Nazi and seek how the God-Word mighth

be blessed, richness, health, and the answer from every moment for our social environment.

Although, Story ever is repeat, the Holy Spirit scattered his love by everyone meaning a better future in each heart, soul, economy and so on, because of only God is perfect. Well, for continue are need to do an important question, What relationship get the German Nazi within Immigrant conflict on America. For begin are necessarily leave one analysis above What happened into America and coming soon all detail, like that.

Firstly as persons which know how Satan Synagoge is doing all possible for ending Jesus Christ Religions, Jehovah testifies, Mormons, Catholics, Evangelicals, Anglican, Orthodox and more, also as persons which know that the story currently not are talked how really been, for example, this present book same that get as achievement, ending with the blasphemy, one interpretation from stories above Jesus Christ our Lord bringing otherness history at not was Real (this book want strong again our faith). With its vision and understanding how many people spend other stories by not to share the truth, at question or inquire is What really happened on German Nazi? What part of the Story never been Talked? Why somebody unliked to share us the truth? Curiously whole issues or illness began within an immigration conflict, people that don't were from German been enjoying on itself country and the tremendous problem was that they not being from German had better opportunities in matters as Jobs, Political opportunities, the Art and more, but taking account that here the most important is, they named immigrants curiously was part of the Satan Synagoge where not are important the sickness, corruption, killers, between other disorder-thought for example if one of them have a sickness, perhaps his sick's condition could be dangerous by all citizen because of this could too become viral, but as Satan Synagoge is based on evilness their notion of the Good and Bad is Absolutely poor. Before to continue are need to do very clear that present literary text not get as goal

told from Nazism, only is the form in how can us seek the Satan Synagoge (some people believe that Luciferian, Satan and Antichrist Synagoge are diferents in others words three congregation, although we are doing refference as the same) governess the world and surrounding itself as first supply of Regards which the people need around the globe, wheiter this congregation are How is meaning killers, political opportunities, jobs, business, art (films, music and more) based on evilness. But our achievement is to share at pressent synagoge is triking the people by beggin Genocides and Fro.

However ist hard get certain about what is the reality, althout the Story ever is repeat is time to share otherness example of How satan Synagogue are meaning and How why the Story is repieat again thus prosses about Story are repeat bring us opportunity of leave or become at Story . United States of America is for many aknowlagment as the New Jerusalem or New promise Earth and this get below of his border other Nation named Mexico itself have some changes under politic management of them. So over Pressidential Election in beggining tweenty one centuries thier candidates by be at Futhure pressident draft a meeting By get toghether the immigrants meaning one protest above Why at New Jesuralem or also called United Stated from America don't gonna to have immigrant people enjoy pressent Nation. Here the terrible conflict Were realy that Thus future candidates bring fakes and trykies saying something don't real. In this Way Could to start a New horrible War spending the peaple by beggin one Ivation using the people as Gun using the people by their perverse intentions*5 because they've a liberal thinking where not important in trueth the people and in this form have other Historical Genocide of immigrants Nor Others. But, why would to murder or killer whole inocent people within other issues. At answer are so easy in this way they'll can to said We are the Histoy's Heroes, without important beging a new Genocide. (Be need nodded Des paragraph was wrote Several time Before

COVID19 Now on its 3th edition 18/01/2021. That lines Became Fullfilled-Prediction COVID19 Genocide above)*1.

Everywhere, here really the conflict don't are try to problem solving, if Have Diplomatic Institutions working on thus. Seeking and meaning once Analyzes is the unhuman fears, are of every candidates or Intellectual Actor*4 spending immigrants by to get otherwise of War. After to mean a Genocide leave the Story as in long time ago, as for example In the II War & I War where many people were hurting, killed and more. Otherness great example are into the Same country years ago where the Authority murdered fourtythree Students because of the Governness meant for at evilness never'll might have good problem solving and only will find ever perverse solution without important if need Sacrify immigrants or Students in other words their owns citizens. When the Authority about present nation used thus behaviors or drivers killing their students, more something and ideas were at Answer by the people, when they was questioning about their Familys: Son, Daughters, Grandsons and so on. In fast, at answer were The students are bad people nearly terrorists. Ofcourse it hardest to get present information because of today the governess and others authority can Sabotage at information as fast as possible, deleting videos, texts, journals, news and more, in others words today have more news and tomorrow could to be deleted for them within internet or another media.

Although the way so speedful in how information can be become, thanks to God is succesful acces by everybody. Taking again at matter where Mexican governess or Reither at system how is under domined by mexican administration, find how draft a Genocide triking many immigrants was finished or dicovered for thus speedful access to Information, where other called Cyber activicts begun to spend at internet that be the most important information access in the present Century. Thus cyber activist shared thinks, dates, photos, and more information where

according with International Organization which have as mission to end with corruption and deliverig many issues about immigration, economic politics, social growth, solving war between otherwise; So the appointment ist that thus cyber activist were when to bring warning-message above protecting their families and imigrants because of at cyber activist as people with professional knowladge have many underteand about the history and how other stories of genocide time ago was absolutely equals, where the people ist spend by one invation doing promise from a better futhure. These form of governess easily beginn wars, killer students, spend population for meeting without important in trueth they safe and security because of is based in the Antichristianism where don't get love, only the personal rewards. They currently have at power for mighth infiltred into a lot institutes by mean their perverse intentions as for example spend the immigrants by start a Genocide and later to Say that the other Country is when are bad. Once more would to bring my big prayer to all activist named to Heroes because of they may not have a big Fame, and may anybody will know when are, But they get so deeply in their heart a biggest rewards in Spirit for become the story and appeal that this'll repeat again. (Wherefore Covid19 Genocide Slayed thousand and thousand immigrants and Others By Comunism an Anti-Jesus Ideologys)*1

For enden encrase on greatest manner highlighting at our 'stood wich Gets over the world are that this enfold To Be Human behaviors, How Sigmund Freud meet otherwise assurance, in other words at Human Being are Social Determined, As For example Down-Syndrom where today is know The person at alive within an Clinical Diagnose mighth to Have a Better Developtest how others worldwide, Go to Universitie succesfully to end one Career and so son. Because of them got an training, Raither, his biological conditions wasn't or didn't nothing versus one Social setup or input that children feed or rewardleas otherness research to them. Within press vision whole people global across (lawmakers, drivers, studsents, political persons, religioners,

atheists, wives and beyond) is living; meet the Social context
Determined us. In other words to Be Human commonly is forced
to engagement facts for Social conditions, management or system.
For example the Politicians which involve Genocides they are not
fully responsible to this. Else they are determined to the social
system. Just here at important is to learn from every History to
save innocent Humans. May be at surround us fewers thinking in
to Solve Immigration conflict. In One hand when want that don't
should to do nothing that is deny in draft something, in the other
hand when want make diplomacie and research riskless by to be
Human whether to Immigrants how to Refugees (troublesome);
since my opinion the Second are better Because this will setup
Human protection and full job that can bring economic support
by the Lands which cover the issues. Encouraging social growth and
greatest employment supply, lowering Dangerous facts at itself
engagement. So if Countries or points of view doesn't democracy
or find direct press conflicts working together, United Nations
Organisation puts the Last word.

FREEDAY 13 APRIL 2018

Three nations using missile attacks until Syria state, the question
is why? Syria is an Islamic state. Get something for to show
the religion? How explain lines ago, U.S.A. was founded under
Christian values and culture so now not are speaking exactly
about religion. All started in George W. Bush Government, in fact
by not to do long time, into Bush era (20 January 2001 - 20
January 2009) will appoint us on essential context. This
president got a lot of criticisms saying that he was Ignorance man
because of how could militarize Syria zone if they get their own
culture and Syrians using a life's way according with different
beliefs, thoughts, ideologies, religion and more that Syrians get;
but this text of course get as intentionship to be a little more
Objective not giving one interpretation from one person alone.

In others words George Bush may is Christian man and may used his manner in how him understanding the enviorenment. So worldwide exist almut dates for bring us what ist an reality. For example this informations say that into this Syrian zone many people living into extreme poverty indeed thanks to International Organizations seekable us what ist price from a bean plate, in others words using estadistics are the manner in how Sicience share us Objetivity about one question, for example: around the world how people belive in God? or how people not belive in Got? and why? how people living hungryhood wolrdwide? between almost informationship.

For it, that time ago was militarizerd Syrian Country. Long time later, into Donald J. Trump Goverment this war (of course the pressident from Syria state never liked at his country got militar interventionship and he deny all action by more lands able enjoy into Syria) had another way of behaviors thanks to otherness countries as for example Emmanuel Macron French's President and Theresa May Prime Ministre of Great Bretain, but why? This big issues not olny have that show with unhuman condition of live also enfolding hihg business as Chemical Weapon (salles between countrys), but the inquire ist, why was the reason by UK and French attak Syria land, not ist hard of understanding; days ago before missil actions from this Nations Allies, another land talked to the White House saying that a lot Uranium (chemic spend into nuclear weapon) was salled inside ountries as Iran (which Iran, Yemen and Syrias are allied countrys), when this knowladge was heard worldwide, seven misills beginn one attak until Saudi Arabia giving an answer for all informationship about Uranium spend, beacuse of prince from Saudi Arabia Mohammad bin Salman bin Abdulaziz Al Saud was the man that speak with White House about this alert danger of Chemical nuclear saled.

Here get us otherness question, why French and UK supporting U.S.A., could be for they are allies. So indeed more writers share

us other theorys as for example that weeks ago before April theerteen in the same way in how Yemen send seven missils by attak Saudi Arabia; one allied of Syria attaked UK and French too. But into pressent day yet not are possible bring all reality or what ist the trueth talkinhg on this conflict. So the first goal from this lines are seek What was the reason for U.S.A., UK and French attacking Syria, into many communications media ist possible to read at the objetive was destroy all Nueclear Weapon manufacturing (spending uranium) enjoy Syrian's Land. So pound a report notice at Bashar al Assad (president from Syria) does claer that Him are ending The Slamic State or Terrorist State Syria enjoin and been this the Reason for him does the attak. In answer U.S.A. appointishment that their goverment ist already to support Economic, Diplomatic and militarily way to Citizens. Itself slippage more version wichen suggesting that the Attak from Syria over Syria never were Real*20.

CUBA

Today, many countrys wordwide ist becoming. I remember so good when one university teacher said me at next word (epistemoligy class enjoy): "All around us get almost changes for example to be human, animals, enviorement, garden, mode, technoogy science, toelogycaI tough absolutly all stuffs get many changes time across; So speaking in matter about biology amongst society our society becoming in fast more than our biology", in others words if seeking of biology as an tree which this growth in long time maybe when we walking in a park or until forest could to seek many trees, if you to do a little of thinking on what time get this tree for be very largest, I'm so sure that at answeare will be: many years. Either society and biology to need time for these change get effor, but when talking

from social develop ist amazing how this challenges highup in fast. Raither, social change ist almost in short than biologycal changes as for example doing comparationship of between the last lines about a tree with social law or reform aslo called enviorenment changes. Now ist time to understeand why are direfent stressingtone under big enphasys because of when one society to share a new law by their owns citizens giving a new context, could to be more clear and bring alittle more light when you to can hear and read pressent lines: in the state at I'm living, time ago at conservative party ussualy to take control or social management but one daywhen liberal party beggin to find that new law start to used on Santiago, state where am talking, pressent law get ashow in first place gave opportunity by homosexual people to have recognizer an marital union or marriedlaw, the law yet not ist taked as good option by our society but, many homosexuals men and women that living in otherness states now ist living in Santiago, where this law may cloud be approud.

Apppontished into both biologycal changes as well as social changes this subtitle in present chapter get the name of Cuba and all this introduction and teaching in how our envierenmet have only not one change way. And underteanding all passt line ist time to speak what happen with Cuba, another global change so in Cuba Tuesday seventeen of 2018.

"Cuba to recognise private property under new constitution" (BBC News, 2018). *27

"New draft constitution stirring public debate on modernising Cold War-era constitution." (Aljazeera, 2018) *28

Cubas was an Society living within biggest criticism for his Govedrness way but in resent time the Country anounced his oppening to becoming and put something than since years ago not could be possible for his own social system, the work that

the Actual Administration is doing promise to the world biggest insight to Cuba. How parraphs ago said the Social enviroment exchange mosth in fast that the Biologie, this book ist not about Cuba but ensure Cuba promise the new era by his Citizens.

NORTH and SOUTH KOREA

Mosth stream enfold Global facts who press book been writhed one from the so realevant, are the Peace trate that the Two Koreans close to bring by his citizens better ensure and a place so Safe. Itself was the greatest news that in fast sourround the world.

Although the winner is unknowable yet (and is not addressed in that book) this was alone the form in how Donald J. Trump supported real his Administration and encourage for bring prosperity on a many place and unfolds that forwards to Ende within poverty encreasing economic supplies and stoped such misdiplomatic meaning that so much Countries Gap in resent time Calling to themselves to The Diplomacy.

CHRISTIAN UNION

For another part, cannot forgotten that also is need speak a little above the history of this books because when I begin to write present text my live stand involve of many issues, a lot people harassed me, another follow me to everywhere that I went.

In trueth I have not idea why, indeed not only in the state that I lived, when traveled to another states of this contries so much people spy me too, people that I belive don't be Christians. For it the present book have not my name, do you can thinking what happened with me if this bad people reading this book and looked my name writed in them? (Altought At 3th Edition Was Reveled Dan Name)

Now is very important the next line, because talk about New reform, this thological reform ist peoplevoice at in one and tweenty century born as answeare at churches issues between theyselves and in the relation that have around the world so many persons in actual time belive that Jesuchrist is fraud, but thank's to God, yet have must people that his or her Jesuchrist thought stead born down his or her heart, spirit, mind, soul and body, else how christwords flying sorround air before speak us.

Likewish, with present text cloud born it reform how than people want. Of course back every thought enfold new reform to be José Mario Bergoglio today in day so called by many christians followers The Pope Francis, Justin Welby so called else Arzobioshop from Canterbauty, Russell M. Nelson pressident from the Church of Jesus Christ of Latter-day Saints, Orthodox traditions and Otherwise. (Altought Masonery Thinking Infiltrated Many Church Are Fighting That No Happen)

*“When we say we recognize the baptism of Christians from other traditions, we confess that they have also received the Lord's forgiveness and that his grace works through them. We accept their worship as an authentic expression of praise for what God achieves. Also, when differences separate us, we recognize that we belong to the redeemed people, to the same family of brothers and sisters loved by the same Father.” - Pope Francis- *26*

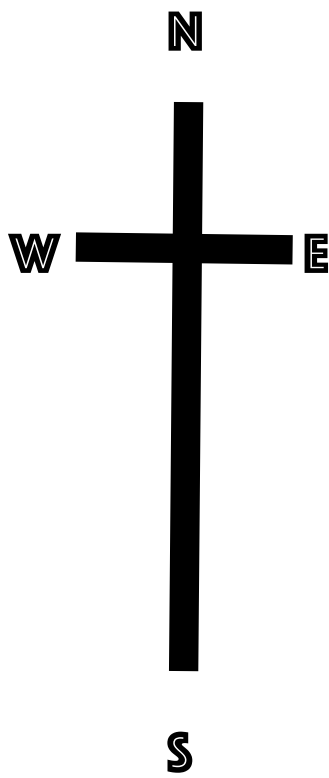

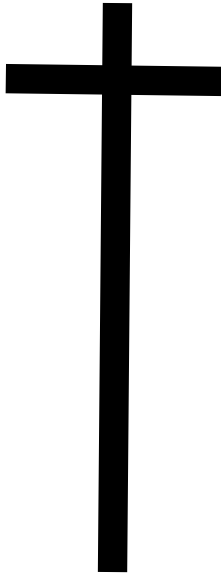

The reason for what begun whole thise Fact was in a Thinking that Christian shouldn't to be faraway in feed we as Christian

need stand every day most together, because the reason for why have us many Religion in a Christians Church are in first place that Church is one Only but Religion are different, neither than in the Jesus Christ Church have have enjoy a lot of Religion and each religion study christianism in different way involving their own Language, Culture and Tradition in a place where itself are development. For example someone belief that by to Get the Forgiveness need to be Baptised again but other belief that by the forgiveness need the Confession path. In the other side stand when believe in the Woman also can to be when transfigured the bread but other gets the Thought that alone men might transfigure the bread (Nevertheless transfiguration is an Ritual where the person need encourage faith, sacrifice, and others according with the such congregation). So in most recent time have other Christians which draw with Esoteric suggesting that the power of magic or mysticism is bring for the Father that living on the Heaven and He want that we spend every knowledge in his Name by Human Prosperity and Growth- Although Otherness Stick Don't Teaching Us anyway- (3th Edition note: at timely newly edition was wrote aloud scandal between fraudulent Election on U.S.A. engagement Tyranny, Violence, Oppression, Genocide setted by some from that Christian Religion and Between Democratic Anointed that belongs such Church, Screen Dan such Union May will Happen)*3*4*5*6*7.

RITUAL

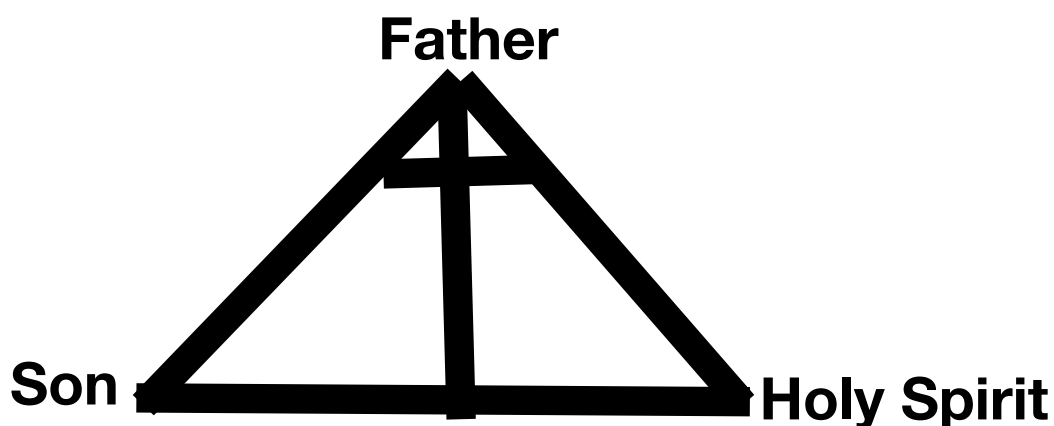

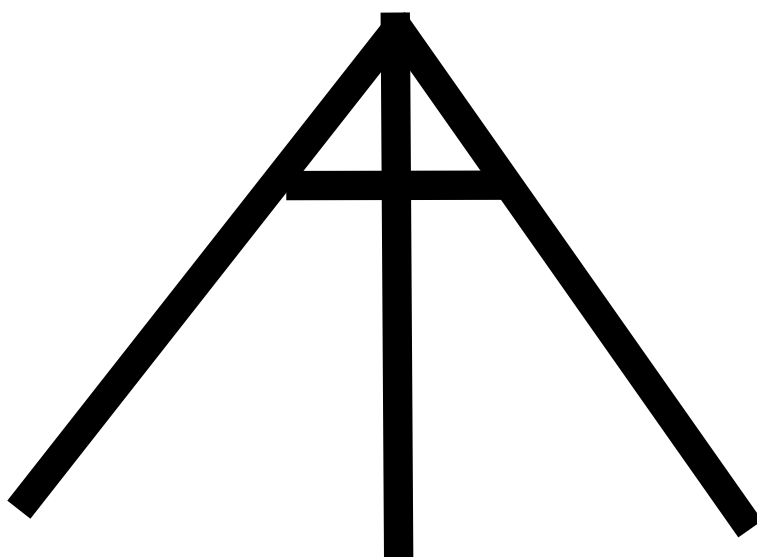

Nevertheless well reminding at been mein promise to you that ist reading. Are alright to xplain some from the biggest uncannies wich don't Gets other point of view or raither, may haven't other point of view. Because of chapthers Before talked us from a misterios that Christianity enfold. Many people Belief at Christianity Can be understanding on Metaphorical way but, They are unexperience or avoid the mystical senssation wich Christianity Engag. How Prophecie, Mediumness, Clairvoyance, Transupzantation between otherwise. For example into the Christianity History woodnumb from person aknolagment that Human Being to Got Not other Ritual so Strongness and Beutiful than the Transupztantation. But what ist the Transupztantation? In fast, are one Draft that Sacerdotalized men (altought have some Riligion between Christianity Church where Women might perform the Transupztantation Ritual) to do in Remind Jesuschrist xpiation. If just how R. Ambelaint within other Authors in that our Master and Lord May knew (By Us Nop Because Restauration Firth Beliving Way) from Esoteric Training or Magical Knowladge rewardleas of Some Jews's and perhaps that Egypcian too. Meet thise realse, can us to inquire us if Jesus come to teach us in haven't nothing must powerful than Passower Dinner into Sacralized his Body But so "NOP by magic but because of God's power". The Messiah-Duty: Father's Promice word for word Him that is at Same time within Son Yesterday today and Even Comes True Into Sacrament Because God Power.

Ist whatever oterwise 'stood from whole speechen nowhere so when seek basic symboligie easily seem us at cross onlien't reffers to the Four Cardinal Direccions as Down appear.

If puts mosth attention brief a Different Figure, over are seekable in explicit form three points does standing new viewing. The Son and Father, *"Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me. If you really know me, you will know my Father as well. From now on, you do know him and have seen him."* John 14:6.

And the Spirit from God too *"Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them"*. Acts 2:4

Sing of Greatest Power! Take lonely or with otherness and in the floor draw a Cross with White Color that represent at Jesus never been Sinner, choose four from your favorite flower and Let itself unto each cardinal Direction that at Cross appoint (at flower represent your own connection with the Nature). Else around the cross meet make a circle, Now at the Cross divide on Four part write in one of those the Name form MARANATHA in other site write DIATHEKE, in other SHADDAI, whole on white color to when stand every kind already begining to Say next word: Oh my Lord, Master and Rightness. come that am to need your presence (and upon your hand to the sky continue saying), please want and wish that do you be part from this site and arrive on me with power that you will be when Use my hearth when guidance mean words to stand your boss over me that your think to be the myself too. EVIDENCE

In Many times at To Be Humans account studies that gap kind from for example Civilization Gatherings, are surfing over thought that currently itself setup the way in sharing something But may at Language wich in those time around they aren't the same that today Or for a reasson they not'd adressed clarealy What they is sharing, so Time latter Human being without get xertain over Is Interpretation are trueth, Trie to display us what's that them are Underteanding. Just here the man or woman wichen getting an intepretetion from To be Human Histories Facts their aware is according with their own xperience of live, how them is developen on the Social Enviroment, in other words they can to have a margin from outlook knowladge consiensous or inconsiensous way. Let us to gave and Example The One Dollar bill that the United Stated Nations spent. In one side pound Goerge Washinthon Face a Christian man that to Find at Better by his Citizens based on him Relationship with Jesuschrist in Don't doubt He realy were at Ilumination that his Nation covered.

So in the Other side draw an Egypcian Piramid. But what is doing An Egypcian pyramid over American Bill (perhas you accouted) What realtionship have between George Whashington and the Egypcian Piramid and Why would to stamp one Nation an Imagen that is join't on at same Country? Are Christianity Whatever meet Egypcian Pyramid?

Some from the lastest anwort by thus questions we have. In firsth place remind the historie getting as Lehi Six Hundread of years B.C goes from Jerusalem to Americas. Underthinken that Lehi an his followers gots knowladge from the old egypt in architecture, spiritual teaching and otherwise. Well the Dolar Bill within pyramid singed was desing many time latter from G. Whashington Dead. So puts many in common an Imagen of a Christian man (the firsth U.S. President) in the one hand to an Egypcian sing in the Other. The firsth because of without notion than Egypcian knowladge arraive on America (so Mormon Book were reveled to Joshep Smmit early one hundread of years Later) G. Washinton guidance him Country overfaith in what's at Name from the Son of God, Jesuschrist. And the Secound because of Egypcian sing talks from the knowlidges and people that lived on Amereca and puts his building on archtectonic, Health Care, Ambiental facts and Otherness Long time ago. Reither At relationship between G. Washinton withthe Pyramid is that whether are from Christian History Screen, itself reasson was in

why a Country would wears an Imagen that is not from the Same country but isn't whatever.

Likewise many people stand on if really Egyptian citizen came to America in explain their Windsor. The next kinds belonged to be part of American's Sculptures and photos from American statements.

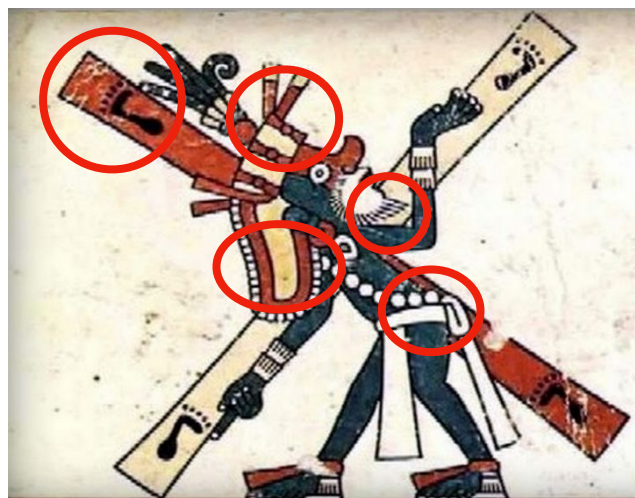

How Americans could get at great knowledge to build an Infrastructure like this. If account that Egyptian people overtake America, been on this way that American citizens were explain in how cover Architectonic Constructions and beyond. Nevertheless the coming of Jesus Christ was prophetic too for Lehi and his Learners, rather the people which stand six hundred years B.C. in Present continent also prophetic that Him appear to American's people. So if addressed more over the Figure B) seem us something that perhaps never before we thought in our Lives. The question is, were thus that Egyptian people told time ago later from alive in America and began a New development over its country? Americans written on their sculptures at promise that were prophetic? Low, in fact the most accessible answer. In a cycle till us fewers kind which surprise to everyone when read about it. Present facts are represented for other kinds then Jesus wears just in time that being Crucified (a crown and his clothes). But how could to do Reference a Culture from each thing that happened in other Time and Space:

"I say unto you, that I know of myself that whatsoever I shall say unto you, concerning that which is to come, is true; and I say unto you, that I know that Jesus Christ shall come, yea, the Son, the Only Begotten of the Father, full of grace, and mercy, and truth. And behold, it is he that cometh to take away the sins of the world, yea, the sins of every man who steadfastly believeth on his name". Alma 5:48

A)

B)

Edge think could be different in understend what were that American Civilization wanted to share stilling mosth over this account. But ist not the Only kinds in appontishment, get us others whats in reals to might know the same that in the named for many people "The American Evangelion" algo bring. Put many attention so are sorpricing.

Now otherness seem us in start to saith how a Long hair, a Cross and a Chin are sculturalized on those Imagen. Clear someone could to have different Interpretation but we that take as Refference too the American Evangelion can us to Arguir that itself are without dubt a Cross, Long Hair and a Chin. For another part revies most refference about history might us to be very strod thise found saying that the piramids were builded in time wich enfold the same time in is talked on the AMERICAN TESTAMENT or commonly Named for others the Mormon Book.

Xochicalco:

The main ceremonial center is atop an artificially leveled hill, with remains of residential structures, mostly unexcavated, on long terraces covering the slopes. The site was first occupied by 200 BC, but did not develop into an urban center until the Epiclassic period (AD 700 – 900). Nearly all the standing architecture at the site was built at this time. At its peak, the city may have had a population of up to 20,000 people. *29

El Cerrito:

Functioned as a regional political and religious center of regional importance from 400 to 1500 CE. Its apogee occurred in the postclassical period, from 450 to 850 CE, during the Toltec culture influence of the center.

Over time, El Cerrito became a sacred space or sanctuary. The buildings and altars around the pyramid are expressions of religious activities around the worship of a female deity, Probably the old mother or mother of the gods.

During the Spaniards arrival, it was populated by Chichimecas, a sedentary and semi-nomadic culture, with the addition of Otomi and Purépecha. *30 (Wherefore By Many Over Livings Ahead Marianan Apariation Place Da God's Mother -Maybe Appear Many Tmes Story Throw-).

Teotihuacan:

The city is thought to have been established around 100 BCE, with major monuments continuously under construction until about 250 CE. The city may have lasted until sometime between the 7th and 8th centuries CE, but its major monuments were sacked and systematically burned around 550 CE. *31

Tula:

The area was the capital of one of the major civilizations of Mesoamerica, that of the Toltecs. The Toltecs rose to power after 713 CE as the successor to Teotihuacan. The current city is centered just south of the ceremonial center of the ancient city, which is famous for its Atlantean figures. The Toltec Empire reached as far south as the Valley of Mexico and its influence has been found in artifacts as far away as the current U.S. Southwest. It is believed that aguamiel was first extracted around 1100 CE, which led to the making of pulque. The last Toltec ruler was Topilzin Ce-Acatl Quetzalcoatl who came to power in 1085. *32

Just these and other civilizations how recent information appears were occupied many times ago indeed before that Egyptian people arrived America but the same information does clearly show that many times after, the zones were established to build the Pyramids. In other words many First Old American civilizations populated the zones but so much time later have been built his Political and spiritual Wonders (In Other Words Although Thus Booking Restoring First Bible Interpretation Been Done First Addressing, Respecting others Because Etymology Explained Coming Soon; Also Arguing Who Mormon Book May Still 3rd Testament Reminding Whom Parapsychology Acknowledgment Paranormal Nor Rather Supernatural Happens*8*9).

INTRODUCTION OF THE SECOUND EDITION

Last write the First Book Edition against Blasfemy entitled Jesuschrist Son of God come to me at Thought in should share otherness common ask wich fews Christians get about their Faith, because as Jesuschrist son of God delite many blasfemies agaist our Lord Jesuschrist now ist time to Slipage more thinkings against our Lord. This are the Rason for what is pin other book's edition, because of how Christianity History get so much Time, of course had so much enemies finding to End meet the Word that Jesuschrist teach us *12 *13 *14 *15 just as in Chapter Named << Joseph the Wird and the Holy Family is Drew>>. Soon is time well to aknowlagment that This were Answered by other of Him Profets called Joseph Smith into 1830 and not should be need get other book by Understeand at Jesuschrist is Son Of God. The now named American Testament *3 Or trthird Testament is trueth and is the other path wichen our Lord the King of Kings and Lord of Lords brief to Everybody (Holding Evidence Chapter Spooks), in at way than if Remind a little Christians Story so much documents were destroy not in recent time indeed since Jesus Time profeths and apostols was killered meet them testamants, Because of Dates enfolding us are the dates that survived, in other words Testaments in pressent time been discovered in some world place thousand years ago because prophets persecutions and aposthols persecutions aren't new kind, thise gets since Old testament and New testament. Indeed myself been persecuted too for people wichen Love the Evilness and indeed some of book was steals for people wich persecuted me rather, I lived in my own experience the Destruction from my own Book because is very common than Goverment want to have people under opression. The books forth wich persecuted me not were nothing about Religion, prophecy, Holy scripture and so on, this was alone of "Tenger literature".

Now at Quotation than like to do to you is, If myself wick lived persecution for oppressor government for writing something whatever Religion, could persecutor governess death and destroy people and dates that them of course yes wrote books about profecy, messianism, mercy of God and beyoud? Otherness fact in my own experirience been that Persecutor governess destroy such and each from my therapy, to be most clear in five times I publish outhause, just the side of my window a great opportunity to people by living terapeuthic moments by them might to get Healing on thier lives, by themselves migh to felt how is Discover theyselves and how migh to ofthen they owns Talents, but If the oppressor government in more than fives times destroyed my publisty, now the anwser is at same; do your belief that oppressor government is kind of present time? Once more, If I than don't wrote anything from prephhecy or from God Blesees been persecuted and my book was destroyed and my terapeutic publishment was destroyed too for opresor governess. Not would to destroy a opressors someone than wrote of our Lord?

Coming soon, will adressing some prophets had People wick follow Lord's Law than lived persecution as Example Joseph Smith a man whom only not been persecuted, him was martiriced too:

Joseph Smit

*"Smith himself was imprisoned more than thirty times for his faith". *2*

*"Joseph Smith was arrested on several occasions, and in 1844 a jail where he and his brother was being held was attacked by an armed mob, and both men were shot and killed". *2*

Jesus Bring to know thise

*"In the same way they persecuted the prophets who were before you" (Matt 5:12). *1*

Under Old Testament Else

“For when Jezebel destroyed the prophets of the LORD, Obadiah took a hundred prophets and hid them by fifties in a cave, and provided them with bread and water”. (1 Kings 18:4)

When he was about to die under the blows, he groaned aloud and said: “It is clear to the Lord in his holy knowledge that, though I might have been saved from death, I am enduring terrible sufferings in my body under this beating, but in my soul I am glad to suffer these things because I fear him.” So in this way he died, leaving in his death an example of nobility and a memorial of courage, not only to the young but to the great body of his nation. (2 Maccabees 6:30-31)

It happened also that seven brothers and their mother were arrested and were being compelled by the king, under torture with whips and thongs, to partake of unlawful swine’s flesh. One of them, acting as their spokesman, said, “What do you intend to ask and learn from us? For we are ready to die rather than transgress the laws of our ancestors”... (2 Maccabees 7:1-41)

In Fast, then sources scripted long ago in the past most than fewtest Philosophosand authors as Homer, Platos or Socrates surffing Since Mosses Percecution because of Unjucetis and oppresions. Some Egyptologies should to apponr that In egypt Never was oppresions but how couldn't to Comand a Faraon Destroy and set everytime opression to Egypt citizens If were the Faraon when kill whole Babies being males. Of course to controll to the woman and any man could to figth against Unjustice, in other words Faraon in this way not will get any opponent:

*“The Pharaoh had commanded that all male Hebrew children born would be drowned in the river Nile”. 17**

*Then Pharaoh gave this order to all his people: “Every Hebrew boy that is born you must throw into the Nile, but let every girl live.” (Exodus 1,22) 18**

Itself is like set up that Robert Ambelain 4* is worng when sugget that Goverment never did any Babys acecinations when Jesus Birth, besause if time before Jesus birth, the people from this citys lived others Collective killing babys because Goverment of pression, why The goverment not would to do the Same when Jesuschrist Birth if did the Same when Mosses birth. In other words killing Baby wich goveness did to Jesus time was very real in the same form how were in Mosses time (Exodus 1:22)*18.

For other part Bible is full around Example of people opreced as Profeths among otherwise, but want I adress specific Jezebel Story, so how flip us in this secounth edition book. The governess only not destroy people to not brinf at citizen all wich

God provid us and ends with Unjustice, also themselves fabriqued other somethings:

*"Jezebel persecuted the prophets of Yahweh, and fabricated evidence of blasphemy against an innocent landowner" *16*

(D' the picture from that reference because need please you than when wrote this book Islamic goverment persecuted me on my country spying my computer to steal all information and later delite that from the digital resources with the intention of disappear all resources cite above)

Stiking thats rigth into Biblical sentece before well knew for everybody and great reffered into the Bibliografic and Reference book part, are in feed at evidence wich in many timelines across Christianity since Mosses to others profets The bad governess delite sush kinds also just whom into Roman-Fire Last being destroy everything around Chritianism the fabriquing Blasfemies were other fact approuched for them. Thise come us to think curiosly, why Flavio Josephus started to write afther Christian Comunities suffer Destruction from scriptures, knowladge and soon; why not before? *13 *15 *16 *14 Destroy evidences and fabriqued Blasfemi to abuse from citizen is method spend very very old. As Christians under Mosses Law we unwanted Offendeth to anybody Only are clearing was been at true and how Governess more than Hence (only not in Jesus Time) Destroy evidencen of Profects, Pries, Kings, and Latters did other History to talk blasfemys unto book's bunch, becamng numbers of sites, dates of Storical Hitos and so on.*16 (Some From Pressent Time Fabriquing Blassfemies Story Still 9/11 Homeland Terrorist Attack. Blue Governess Party Invented Was Red Party Wich Self Attacked County But more Than 15 Year Latter Slippage That Blasfemy Acknowladgment Was Blue Governess and Don't Red One Wich Plot Such Attack Soring Up Meet At Slogan "Someone Did Something". Could Booking aloud Above Rullers Landing Fabriquing Blassfemys But Aren't Matter On That Texting But Bewear How Governors COMMONLY Invented False Storys to descredit Otherness).

Joseph and The Holy Family

The First book wrote by stop such and each Blassfemy than many people say agaist Our Dear Lord Jesuschrist enfold at must commun Ask wich Human Being currently puts now under at Secound part's book is adressed the others ask. I took decition of Write two edition's book because of been better think, firstly if Have two books with so much Page could to be very ill reading this, so if get us other edition's book with don't groove number of pages are most foster and easy reading this, were at reason for what the Against Blasfemy was wrote in two book's edition.

Over press chapter will screen how Robert Ambelain Again *4 Try to untrueth every redaer because of whom into at Frist book's part the Son Of Good we unmasked him in time that discover the form in that he spend the Holy Scriptures to triky the people and also discover us in time that heself does highest number of contradictions. On this Chapter than does Reffecence to the Chapther number Ten is again unmaskared him with more contradictions that his dirty intention find spending the Gospel badly. But at question is Why? Whom Robert Ambelain *4 make by try to triky people, well this are very simple, for bring us information use many many Biblical verses by saying something not real, coming soon spend Biblical verses wich are whatsover about all that he is talking but whom suggeste so much Gospel's verses of course the people will lost them interest on reading such information because this produces an Lazy efect. Just this are at Same efect wich does Hypotecal Hires or Privat Institutions of Health Care selling Insurance Policys meet many information than before the man or woman buying those will do them their signature, currently not reading everything 'cause lazy. The Same efect is making for learners when their teachers review the classroom tasks. To the Teacher, not reading this, are most easy use so much information without important if this are nothing for to show about tasks, is better if alone draw some kinds to lie at teacher.

The last way of triky at people will be recognized on this chapter too, how was aknowlagment under the First Book's part. Once again he appeal how under Gospels is wrote diferent Genealogies talking for Mattew and for Lucks, thise Ask been good solven in at Fist Book and should need not answer again over its Literary Text because reapit at same qoastion could be leaswood. Jesuschrist Son of God Book*5 is clear when Say how at Two Jesuschris Genealogies is above him father and his mother ("chapter named Pseudo anuntiantion?"). In fact, author try to Suggest Eusebious of Cesaria's Church History book to blooming under Human being thinking Something than Is not Real, perhaps Eusebios of Cesaria wrote in the past one kind than was his own interpretation above what is reading without evidence, in other words him had not evidence or arguments to suggest whom is writing. Soon this shrewd is supply of Eusebious Cesaria is talking according his own experience of live (financial Interest, political position, relationship with God, if their feeling than God was good or bad among he, whom live in his past, what wish to him futhure, what happen on his live when is wrote the book and more) rather whole wich is writing for Eusebious Cesaria cover him Ambivalence feelings by the life and by to God; itself is adressen in the Refecence part over present work*7 whom now I did an Screenshotdata to all thise Refference highlighting just at the Opresors social Management on present time Puts fastly access to the Information to become this and may when you are Reading it Book could them become at information uptowned by the making of this book against blasphemy too. How I foretold ago thereafter Jezebel citing (In Otter Words Some Governoss Clutch More Speedway Information Acces To Manipulate Nor Delite Like That Whom Did Mett My Owner PC and Other Samples Nodded Behind Well 9/11 Terrorist Attack And More) .

Coming soon you mighth look or better said, reading Eusebious Cesaria Translations words "Eusebious tried, according his owns words, to suggest Church Story" so, He spend him owns words

not others Dates this are very clear to do clear. To end his owns words depthly are covered within His Internal life, adresssing same thiking than so many Academic studies or Knowladge zone uptowning for Example;

"If inquiring us in our Memory for there impresions that his Destinity is alive and make their flows until our livend, itself not offer us nothing, or bring us an short number of skattered minds, wich value currently is queationable or enigmatic."*8 (p. 297 S. Freud 1893-1899)

The lastest sigmund Freud Phrase among otherness Justify loudly at meining than said How someone frecuently about his memory impresions gap they interpretation of reality, rather Eusebious Cesaria envolve Robert Ambelaint (page ninety seven) writing Suggesting at Lehi and Jacob were carnal brothers not in Esoteric or brotherhood term but is not real because of The father of Lehi was Son of Levi and the Father of Jacob was Son of Eleazar in other words the Father of Jacob and Lehi not been the same. Commun mystakes display because is very normal look people meet similar name for example I remind how in my School music had a friend Called Christian and my carnal brothers is Called Cristhian, is very common to know people meet similar name now viewing at the father of Jacob and the Father of Lehi was different man, itself atach in that Eusebios Cesaria Ist wrong and that at Reality is that: Matthew 1, 1-17 is Jose Genealogy and Luck 3, 23-38 is Mary Genealogy adresssing whole talking under Jesuschrist Son of God Book nearly ending at Chapther named "Seudo Anunciacion?" *5.

Nevertheless craft false nobels to people thought otherness kind is again somthing at is overall about what get on our Souls, and Heart, are the representation from in this case interest wich Eusebios Cesaria got and soon. For other part is coming news thinkig that's merely contradition from Robert Ambelaint*4 part. Cooming soon easy displaying in whom First attach one thing

and latter other truthfully different. When reading this I been laughing so much because of perhaps the writer never saw that were writing at contradiction, Lol. But is very clear notices itself, under page number ninety nine him is Suggesting at When Jesus having three years old are speaking meet some doctors into Temple but Mary and Joseph is unaware above where is their Son (Luke 2-38-52). Him try to make at people though bad about Mary and Joseph saying that them are irresponsibles Parents, that whom The fathers of the Son of God is not Loom above where is their Son than this are the most biggest irresponsibility in the World, also if them Son is the Messiah they could stand in fast very loom, enfolding Blasfemy book words adress than under present Hallowed biblical passage while Jesus is Talking meet Doctors in the temple his Fathers is walking with criminals killers stellers and other ill people (R. Ambelaim p. 99)*4 So when viewing at Gospel Lucks 2:39-52 never is writing that Jesuschrist' Parents comebacking to Nazaret are walking between Killers, Stealers criminal and beyond the Gospel is clear when speaking than Jesus Parents is walking towards Nazaret meet other Familiars and Parents; this are to displaying us at Mary and Joseph are the poor parents never saw before. Latter the same author continue saying that Them (Mary and Joseph) should not to be worry because is the Son of God, the Son of the Almighty when Jesus parents is unaware about where their Son is. Or should to be worry or shouldn't to be worry? LoL. Principiant's wrong! LoL. Well so common when the intentions are nothing with our heart wish in truth. Contradiction sure? Because firstly say Jesus' Parents shall be loom for don't be aware where their son are, but latter saith Jesus' Parents shall be not loom for being unaware where their son are.

So this author never thinking in Jesus' Parents everytime is loom about thier Son, Remember only when Herod senth death each child into Bethlem Matt. 2:16-18 *9, or when Jesus was death in at Cross, Mary even was there. Because Mary and Joseph are at

most greatest Parents Examples meet unconditional Love, whom could to be them don't loom.

Everybody in the World is sometimes faithleas, infeed Jesus into Getzemani xclaim to his Father don't be Cruzifixed *11.

Matthew 26:36-56

Mark 14:32-52

Luke 22:40-53

John 18:1-11

If He being at Son of God was feeling affair for don't death in this way (because was To Be Human) being at Son of God. Nodeed at others normal Human beings, why them not could to be affair standing under Jesus faith (accounting Jesus Father's worries) or to be faithleas? Just how "Doubting Thomas" (Jonh 20:24-29) *10. Our shrinkings and weaks are the way in whom stronggly our faith everytime.

By does most long Him Blasfemy's book the author come sharing some hallowed verses (Matt, 12.46-50. Mark 3:31-35. and Luck 8:20) to suggest than the people belief not unto Jesuschrist but if you Rear at hallowed lines will can recognize that this are whatsover or nothing that show about the Author suggest this put something absolubtly different about the Author Saying, Of course how lines ago arrive us over whole Human being leave a moment as "Doubting Thomas" (Jonh 20:24-29) *10 is strongness faith form at every people need to alive; generations across generations and if Hallowed scriptures is destroyed again whom into apostols times an latter God even will brig the trueth, as Roman Fire where all of Christianity been daying Years before Flavious Josephous wrote his literary text, just how foretold

beside first book's page above Canonical Evangelions wich sure are not the originals fired into First destruction against Christianity, but due Holy gost commandmend Evangelist to recopile at truth where overviewing Old and New Testament many kinds are fulliled, (in other words the new testament are the restauration and Suvirvors from the gospel fired into Roman tragedy) *12 *13 *14 *15.

WIZZARD IN JESUS LIFE AND AROUND A DEMON BOY

At the Page 129 Authorship instead to seem Jesus Lived into Esoteric Teaching into Egypt to know what knowledge had Mosses ('cause Mosses were of Egypt) and Other Priest 'cause Hallowed Scriptures round moments that's Animal Sacrifice -Rituals-. But With Jesus Crucifixion (Transubstantiation) remind us God Lying whole Esoteric Tradition since Israel had Before out up from Egypt. Indeed into Christians although Christians Dislike Esoterism, could to do Catholic Church the more Folkloric Church than other Today with Christianity shall Together again. But Have've lots Bunches of Congregation someones Great allegorical than Otherwise, So herethe very important are Transubstantiation viewed as the most Greatest Transformation Never mean before. Itself are Divided into Liturgical and non liturgical. So Christianity Have his own's preparation to can to do the Priest at Statment. That's remember God Brief Him own's Son to The Forgiven Sins.

Latter Authorship try to arguise that Jesus did Somethin' Esoterical or Magical into Him Prodigys. So Doing as Example with were Healed for Jesus, suggesting the Author saying that Jesus Spend Pharmaco Recept, but this to the Christians are very lol in way that if Blinder man being outlooker and if whole Jew had perhaps Esoteric knowledge or not Esoteric Knowledge 'cause of Mosses were Egyptian, at Largest Quation are Why otherwise were not when Aid to the Blinder man with a Pharmaco Recept as simply spend Cgregation that the mount Naturally does and dust? of course He was with others before Jesus in Find them Helping, and Of course The other got knowledge about Pharmaco Recept.

Here are Something that Authorship want become for other kind saying: if Jws had Deny eat Flesh Pigs into Galilee or everywhere, why into same Galilee one Family got pigs in

passage with a Demon in thought out in a Boy to letter sears Jesus Mercy and allowing to enjoy to the pigs. But this are longest Contradictionship with same author does 'cause in page 133 heself aguir than only not Jws lived into there Regions; also the Author never got more information that Farmer popy is Growthood with Having Porks in Hause. Whatsoever last inted Screen its Contradiction author want triky again Suggeston than Ghalilie Have not any time one lake, but you could to looks the maps pics whom your Bible gets where shrewd insteand a Lake called Galilie's Lake in conclusion.

For another part Perhaps one Jesus Follower try to teach at same with his Master did but with sligthly folklor, rather why more people did not magic to Expulse Demons in at same way than Blinded man row within Pharmaco Recept?... Continue by the questions from Robert Ambelaint author, Him understeand that Jesus were asking to the People died, so Christianims Story are full fold from Spiritual aparitionship as Gosth Since Mosses, Eli, Joseph Smith and to do so, Nor where than Jesus involke, Him had thise with out intention (In Other Words Hurl Christianity Invoke Dead Ones Be Allowless. But Without Invoking So Somewho Could Get Such Experience Also Parapsichology*8*9 Aknowladgment Such Naive).

To end Jesuschrist 'd to do, So much knowledge how lots people sourrunding Him but why not was at other wich did whole about knwoladge to the sickness into citizen that got since lots years ago, in other words Was not Magic wich God did 'cause in moderden day could to be better if Everyone do Magics to aid people batter than have Hospitals (By Trasfutions, Inplants Nor Any Other Healing Way) or spend Magics to Resucit people rather than Intensive therapies, lols. in fast is very realsed and well documented than althoug at only Mystical mainstream into Christianity are then Transupstation, so Prayers Jesus names hold Finess helping to many issues above body, mind, infeed Lots Hospitals today encrease Visits to people mighth to prayer for at

sicked (As Into Mine LivingTime Throw Otter Landstate Wherefore
Doctors Being Scientifics Looks By Ours Prayings In Hospital
Somewhere Full Above Scienst But Meet Place To Praying Jesus).

JWS' KING AND ABOUT HIS ACESINATION

Intending Robert's Literary works in his thinks bleam as Jesus one Politician finding Use at Israel throne, He reffer not at Gospel when attach:

"Jesus answered, my Kingdom is not from this world: If my kingdom were of this world, then could my servant fight, that I should not be Delivered to the Jews" (John 18:36)

If The Messiah would to do other something than not was real could to be better say that him were Jws king met well follower numbers and Beging at administration with others being a winsdoman But he not was a terrenal Jws King, is today yet a King of everyone in a Soul's Kingdom 'cause not was a winsdoman is The Son of God. Rather the ministry's God was that His own Son were Cruzifixed how was Displayed since Profets time to Halloewd Scriptures were Realized.

In short again authorship is doubting in the Translate than He did or wheter him information Supply wrong English translating 'cause they think Jesus has Diferents Asumptions when Holy Scriptures clearly screen than Jesus stay Fourty days Last his Death.

"After his suffering, he presented himself to them and gave many convincing proofs that he was alive. He appeared to them over a period of forty days and spoke about the kingdom of God" (Acts 1:3) so got more apparitions of Jesus than Marck (16:6-20) and Luck (24:50-53). Afterall into Lucks Jesus never say to his aposthels than them should go to Bethany indeed that them should stand Far of Bethany (in other side that not were Bethany).

"And He led them out as far as to Bethany, and he lifted up his Hands and Blessed them" (Luke 24:50). Noted that this is a replay of the text with R. Ambelain foretold of Jesus as Jews King and what's going on after Him were slayed. (3th Edition Note. On these Gospel verses are seenable nor rather does keenly to who many times be unbelievable looks like walkingway from many folks surprising us too in very shortly time may stand from one side By utterness. Well sample be American Imigrants wherefore on a very little couple of time them cross near continent full.).

SHARING SPEECHINGS

Then start to Display what lots whys and hows like Christian community Fold, are very important So everything are in feed one Answer to something share not, because of our civilizations from the past wich tried to bring not at Salvation message to people`s Future by them greatness and prosperity. Today whom is slighly days afther Christmas, Diferent speechs bluming Christian Cominitys. Hence heard like this, Set up each one; mainstream to whole worldside insteand among Salvation message. One from this days, at well thinking leaving unto Cumunities was around A God wich been all Kinds Creator and that is at Same time one God under three Diferent aspect, 1 God (invisible), 2 being one Representation to people in imagen way, and 3 being Human; to it Reason is considered a monotiest Believes (Rewardless into da fisrt Church).

Afterward were amazing to know what understeand they and me around symbolizm and shrewd ocult real message over the three wisdom men (The magies wich knew thy of Esotery and more somethigs) like following star was to flip-flop to the baby last birth. On this matter otherwise in fact have a four wisdomen, arguing someone from them was missed in "wilderness" the four magi (Henry van Dyke 1852-1933), whichen someone concern as one Past's revelation. But how could we to know of itself when whole was destroyed into Christian Fire. Well, curiosly only was at first Cristian comunity that were Shrinking or Lowing, why not other comunity? why the fire appoint only over Christian gifts? *12 *13 *14 *15

Whatsoever, nexting Christian talks and investments, Self publishers row to dying States markets, to share a cronological work Holding time After time: One, Second and Third Testaments in one Events-line only. Otherwise appeal in fold Prophecies like Christian comunity plot: Alone a Christian migth interpreted thats

truthfully bleam to American Empires and all great Kingdoms from God. On the Oder side More Global leaders in America begun to brief them own mainstream around the three Testaments booked and how Cristianity come to America since - Lehi's disipules just as Joseph Smith talk us - is outside from Jerusalem, because of, Oppresors (people that triky citicens to roving them lots supplys and killing to their owns citizenship). To this reason been that's Lehi travel Americas forwards, or Mosses towards promise Land.

Lastest great Conversation everybody step up into Hallowed Scripture pasage at symbolism ocult into Sin from Adan and Eva and what Sin could to be Eat from the Knowladge of the Live to Be outsite from at Heaven. Here also get us one Speeching in Adan and Jesus and more profets folding that Jesus never was Sin how Adan, and Jesus never was Mystake, and if Other Profets was wrong Perhaps been to Does at Perfect Plain of God as Judas' Example. Some Christian Thinks appeal a Real Aberrations that is drew into many Human Being ages. Of course thise mind encrease into people wich Believe in an Invisible God.

In the one hand as Jews traditions, them has otherwise acountin time away, Rather, they has diferent metrics time; itself does clear that A time over jewdaism Calendar is not same counten Today that unto jews time (were great's new), among not know what time or period of time latter God did Creation, Adan fall or fail. Afther Eden expultion, Jews bleam them own bunch to account the time (where Comunity sticks of Creation or Genesis and How anyone know what time latter Adan and Eva were expulsed from Eden). Talks Before, were some from lots affirmationships dones afther Christian Thinking arounden comunitys. But the almost Wether sourpricen and weird folds, was when telling of at four esoteric men as well visited to the Jesuschrist Baby in time wich Mary birth's Jesus does on Betlem, How talk us in these same chapter.

On the other Hand Fit something wich someone fears too: How Been Realy Thrid Testament the book like Revelation's from good By St. Jonh the same that Joseph Smith writeth.

"And the voice wich I heared from heaven spake unto me again, and said, Go and take the LITTLE BOOK wich is open in the hand of the Angel which standeth upon the sea and upon the earth. And went unto the Angel, and said unto him, GIVE ME THE LITTLE BOOK. And he said unto me, Take it, and est it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey. And I took the LITTLE BOOK out of the angel's hand, and ate it up; and it was in my mouth sweet as Honey: and as soon as I eaten it, my belly was bitter. And he said unto me, Thou must prophesy again before many peoples, and nations, and tongues, and kings". (Revelation 8-11)

But who could St. Jonh at time to show Apocalipsys book know like Joshep Smith bring The Secound adressing of Jesus Christ or Lasts Aparitioness, if Jonh never knew to Joseph Smith. Is Jesus In America the Secound coming! to thise Christian things some atworks ahead surffings howm shwerly Jesus only not Was into another moment (in time and space) as in America Because Be Almghtily (Here Some Conversations Between Christians Around Chapter And Whom Mormon Books Could Wich St Jonh Tolk Reveletations Above).

With it I wanto said how Jesus is the real bread of heaven and non Otherness of course Romans were like that with itself aknwlagment what blesses give us God across Jesus Body, in My own Life Experience sometime I got one instict in that could to dead for something, sure because of currently In my home for many time have not nothing to eat was very normal, being vegy (Dan Hurl 3th Edition loss my veginess Because Persecutor attacked me stronggly So has need up leave sux Eating Behaviors) and not eat nothing in lots of moments were what get me in short of dead, but as something so uncanny when go to the Sacrament my Live was starting again with realy strongness, meet slithly part of bread my Hungry was off, How if nothing in the Universe could bring me what the Hallowed Sacrament gift me, the life of trueth. Shrewd Romans being a Bravery nation was surprised meet the loudness and blessesful wich Jesuschrist body step.

Jesus answered, "I am the bread of life. Whoever comes to Me will never hunger, and whoever believes in Me will never thirst". (Jonh 6:35)

Roots today greatest Scientific investment and evidences last some really really Unacany miracles that Sacrament is Real our God, wich teach us how Jesuschrist is indeed the bread of life and not otherwise (althought we as Jesus deciples get us respect to others believes: *Behold, I stand at the door, and knock, if any man hear my voice, and oïen the door, I will come in to him and will sup with him, and he with me* -Revelation 3:20-).

Itself comes alongside diffent times within different people, in that we never should to lost Faith. Him remind us everytime who everywhere is meet us for ever. If believe me not what I'm typing Here, thou could to do your own invetigationship. Coming soon, there is draw what Jesus bring us story across in recognize that Him is the only Bread life. For another part his confusions between Christianity and Some Oriental traditions understanding that Into Apocalypse book is accounting to Himself something which are absolutely false as whole Wrote in at Book 'cause Jws-Christian Profecies is living yet, the apocalipsys prophesy else were Lived time before when a Woman Appear in at moon low Her feets in America - our Lady of Guadalupe - and were opened at Seals from a Little Book the Thrid Testament to Crew at most biggest prophecy never seen before, appontishmen for Old American Civilization under their Facts and arqueology sticking the New Age, the 21 Century, the most Weird prophecy begun at 21 of December from the 2012 which is not the end of the World, are indeed the starting from a New Wolrd, a New Age.

"And there appeared a great wonder in Heaven; a woman clothed with the Sun and the moon under Her feet, and upon her head a crown of twelve stars: and she being with Child cried, travailing in birth, and pained to be Delivered". (Revelation 12:1-2)

"And saw another mighty Angel come down from Heaven, clothed with a cloud: and a rainbow was upon his Head, and His face as it were the Sun, and his feet as Pillars of Fire: And he had in his Hand a little book open: and He set His right foot upon the sea, and His left foot on the Earth". Persecution of Christians in the Roman Empire

From Wikipedia, the free encyclopedia

(Redirected from Anti-Christian policies in the Roman Empire)

Persecution of Christians in the Roman Empire occurred intermittently over a period of over two centuries between the Great Fire of Rome in 64 AD under Nero Caesar and the Edict of Milan in 313 AD, in which the Roman Emperors Constantine the Great and Licinius legalised the Christian religion.

The persecution of Christians in the Roman Empire was carried out by the state and also by local authorities on a sporadic, *ad hoc* basis, often at the whims of local communities. Starting in 250 AD, empire-wide persecution took place as an indirect consequence of an edict by the emperor Decius. This edict was in force for eighteen months, during which time some Christians were killed while others apostatised to escape execution.

These persecutions heavily influenced the development of Christianity, shaping Christian theology and the structure of the Church. The effects of the persecutions included the writing of explanations and defenses of the Christian religion.

Great Fire of Rome

From Wikipedia, the free encyclopedia

The **Great Fire of Rome** was an urban fire in July of the year AD 64. It caused widespread devastation in the city on 19 July,^[1] before being brought under control after six days. Differing accounts either blame Emperor Nero for initiating the fire or credit him with organizing measures to contain it and provide relief for refugees. According to Tacitus and later Christians, Nero blamed the devastation on the Christian community in the city, initiating the empire's first persecution against the Christians.^[2]

Antiquites of the Jews

From Wikipedia, the free encyclopedia

Antiquities of the Jews (Latin: *Antiquitates Judaicae*; Greek: Ἰουδαϊκὴ ἀρχαιολογία, *Ioudaikḗ archaiologíā*) is a 20-volume historiographical work, written in Greek, by the Jewish historian Flavius Josephus in the 13th year of the reign of Roman emperor Flavius Domitian which was around AD 93 or 94.^[1] *Antiquities of the Jews* contains an account of history of the Jewish people for Josephus' gentile patrons. In the first ten volumes, Josephus follows the events of the historical books of the Hebrew Bible beginning with the creation of Adam and Eve.

The second ten volumes continues the history of the Jewish people beyond the biblical text and up to the Jewish War, or the First Jewish–Roman War, 66 to 73 CE. This work, along with Josephus's other major work, *The Jewish War* (*De Bello Judaico*), provides valuable background material to historians wishing to understand 1st-century AD Judaism and the early Christian period.^[2]

Jezebel

From Wikipedia, the free encyclopedia

"*Jezabel*" redirects here. For the band, see *The Jezabels*. For the website, see *Jezebel* (website).

For other uses, see *Jezebel* (disambiguation).

Jezebel is a figure of the Hebrew Bible, described in the Book of Kings (1 Kings 16:31) as a queen who was the daughter of Ithobaal I of Sidon and the wife of Ahab, King of Israel.^[2]

According to the Books of Kings in the Hebrew Bible, Jezebel incited her husband King Ahab to abandon the worship of Yahweh and encourage worship of the deities Baal and Asherah instead. Jezebel persecuted the prophets of Yahweh, and fabricated evidence of blasphemy against an innocent landowner who refused to sell his property to King Ahab, causing the landowner to be put to death. For these transgressions against the God and people of Israel, Jezebel met a gruesome death—thrown out of a window by members of her own court retinue, and the flesh of her corpse eaten by stray dogs.

In the biblical story, Jezebel became associated with false prophets. In some interpretations, her dressing in finery and putting on makeup^[3] led to the association of the use of cosmetics with "painted women" or prostitutes.

La Historia de la Iglesia [editar]

Artículo principal: Historia eclesiástica (libro de Eusebio)

En su *Historia de la Iglesia* o *Historia eclesiástica* (en griego, *Εκκλησιαστική*, lit. *Manifestación* (o visión) de Dios), Eusebio trató, de acuerdo con sus propias palabras, (I, i. 1), de presentar la historia de la Iglesia desde los apóstoles (historia conocida como "Hechos de los Apóstoles") hasta sus días, teniendo en cuenta los siguientes aspectos:

1. la sucesión de los obispos en los sínodos principales;
2. la historia de los Doctores de la Iglesia;
3. la historia de las herejías;
4. la historia de los judíos;
5. las relaciones con los paganos;

Gospel

From Wikipedia, the free encyclopedia

This article is about the written accounts of the life of Jesus. For the message of Christianity, the "Good News", see the gospel. For other uses, see Gospel (disambiguation).

Gospel originally meant the Christian message,^[note 1] but in the 2nd century it came to be used also for the books in which the message was set out,^[2] in this sense a gospel can be defined as a loose-knit, episodic narrative of the words and deeds of Jesus of Nazareth, culminating in his trial and death and concluding with various reports of his post-resurrection appearances.^[3]

The four canonical gospels of Matthew, Mark, Luke and John share the same basic outline: Jesus begins his public ministry in conjunction with that of John the Baptist, calls disciples, teaches and heals and confronts the Pharisees, dies on the cross, and is raised from the dead.^[4] Each has its own distinctive understanding of Jesus and his divine role.^[5] Mark never calls him "God",^[6] Luke expands on Mark while eliminating some passages entirely, but still follows his plot more faithfully than does Matthew,^[7] and John, the most overtly theological, is the first to make Christological judgements outside the context of the narrative of Jesus's life.^[5] They contain details which are irreconcilable, and attempts to harmonize them would be disruptive to their distinct theological messages.^[8] **They were probably written between AD 66 and**

110.^{[9][10][11]} All four were anonymous (the modern names were added in the 2nd century), almost certainly none were by eyewitnesses, and all are the end-products of long oral and written transmission.^[12] Mark was the first to be written, using a variety of sources;^{[13][14]} the authors of Matthew and Luke, acting independently, used Mark for their narrative of Jesus's career, supplementing it with the collection of sayings called the Q document and additional material unique to each;^[15] and there is a near-consensus that John had its origins as a "signs" source (or gospel) that circulated within a Johannine community.^[16] The contradictions and discrepancies between the first three and John make it impossible to accept both traditions as equally reliable.^[17] Modern scholars are cautious of relying on the gospels uncritically, but nevertheless they do provide a good idea of the public career of Jesus, and critical study can attempt to distinguish the original ideas of Jesus from those of the later authors.^{[18][19]}
